charles sumner was seated at his senate desk on may 22 1856 when democratic congressman preston s brooks approached pulled out a walking stick and struck him on the head brooks continued to beat the stunned sumner forcing him to the ground and repeatedly striking him even as the cane shattered he then pursued the bloodied

staggering republican senator up the senate aisle until sumner collapsed colleagues of the two intervened only after brooks appeared intent on beating the unconscious sumner perhaps to death the caning on the senate floor embodied just how wide the complex north south cultural divide of the mid nineteenth had become and explains why the coming war was so difficult to avoid

since congress was established in 1789 seven members have been assassinated and several others have been the victims of attempted assassinations or other acts of violence additionally eight members of congress have died while serving in congress in other ways these incidents have taken place throughout the existence of the united states and have a wide variety of interesting causes in killing congress assassinations attempted assassinations and other violence enacted on members of the u s congress nancy marion and willard oliver examine the assassinations and attempted assassinations of members of congress describing the actions that led up to the violence the incidents themselves and the repercussions of the events marion and oliver also look closely at other violent attacks against congressional members including beatings and bio attacks the book not only describes the assassinations but discusses the short and long term impacts of the violence that takes place on capitol hill

the issue of capital punishment is a continually debated issue because it calls into question the values and direction of society how is a civilisation supposed to handle lawbreakers are some crimes so heinous and some people so dangerous that the death penalty is the only appropriate response the united states constitution prohibits cruel and unusual punishment but opinions on whether that includes capital punishment are vehement on both sides many states have some form of death penalty and public opinion seems to indicate support of it in principle however many firestorms

have erupted recently over the application of the penalty including the topics of its use on minors and those with mental disabilities there are also questions raised about how much of a factor race plays in a capital sentence internationally several countries have foresworn the death penalty with certain countries in europe and the americas refusing to extradite criminal suspects including suspected terrorists to the us if capital punishment is a possible sentence with such politically flammable and ethically challenging issues hanging over it capital punishment is a vitally important issue to understand to help facilitate that study this book assembles a carefully selected and substantial listing of literature focussing on the death penalty anyone researching this area of criminal justice will find this book an important tool as it offers easy access to the most relevant works about capital punishment following the bibliography further access is provided with author title and subject indexes

at a time of political tribalism and ideological purity tests when surveys tell us that pluralities of the people in each party deem the opposition downright evil it can be hard to remember that cross party hatred isn't an inherent feature of partisan politics but as this book reminds us a backward glance or a quick survey of so many retiring members of congress tells us that even in the past decade partisan rancor has grown exponentially in angry politics stacy g ulbig asks why even more to the point she traces the trend to the place where it all might begin the college campus among the youngest segment of the electorate a distinguished researcher and scholar of political psychology and public opinion ulbig gets right to the heart of the problem the early manifestation of the incivility pervading contemporary us politics with an emphasis on undergraduates at four year universities she gauges the intensity and effects of partisan animosities on campus examines the significance of media consumption in forming political attitudes and considers the possibility that partisan hostility can

operate like racial and ethnic animosities in fomenting intolerance for other groups during the college years political attitudes are most likely to be mutable so as angry politics explores the increasing combativeness on campus it also considers the possibility of forestalling partisan hatred before attitudes harden finally ulbig finds hope in the very conditions that make college a breeding ground for political ill will embracing their responsibility for developing responsible citizens capable of productive political engagement colleges and universities may well be able to inject more reason and thus more civility into future partisan debate
