focusing on san diego in the post civil rights era linda trinh võ examines the ways asian americans drew together despite many differences within the group to

construct a community that supports a variety of social economic political and cultural organizations using historical materials ethnographic fieldwork and interviews linda trinh vō traces the political strategies that enable asian americans to bridge ethnicity generation gender language and class differences among others she demonstrates that mobilization is not a smooth linear process and shows how the struggle over ideologies political strategies and resources affects the development of community organizations vō also analyzes how asian americans construct their relationship with asia and how they forge relationships with other racialized communities of color vō argues that the situation in san diego illuminates other localities across the country where asians face challenges trying to organize find sufficient resources create leaders and define strategies

the last half century witnessed a dramatic change in the geographic ethnographic and socioeconomic structure of asian american communities while traditional enclaves were strengthened by waves of recent immigrants native born asian americans also created new urban and suburban areas asian america is the first comprehensive look at post 1960s asian american communities in the united states and canada from chinese americans in chicagoland to vietnamese americans in orange county this multi disciplinary collection spans a wide comparative and panoramic scope contributors from an array of academic fields focus on global views of asian american communities as well as on territorial and cultural boundaries presenting groundbreaking perspectives asian america revises worn assumptions and examines current challenges asian american communities face in the twenty first century

includes index by ethnic groups and services

across the pacific explores in descriptive and critical ways how transnational relationships and interactions in asian american communities are manifested exemplified and articulated within the international context of the pacific rim in eight ground breaking essays contributors address new meanings and practices of asian americans in the global transformation of the post civil rights post cold war postmodern and postcolonial era

this comparative study of the chinese korean and vietnamese american communities in philadelphia shows that each asian american community maintains its own internal cultural boundaries which are used to cultivate differences that become institutionalized over time socially constructed boundaries such as ethnicity gender class and generation intersect within and among ethnic groups based on a social anthropological framework this study describes the mechanism of ethnic and class identity formations and shows how identities are institutionalized through various organizations by unraveling the complexity

of asian american communities and their boundary strategies this study provides a look at the new political processes which asian americans are creating in a variety of social settings also includes maps ph d dissertation university of pennsylvania 1994 revised with new preface introduction

this ground breaking textbook examines asian american health from a public health perspective it provides an overview of the social political economic and cultural forces that influence the distribution of disease and illness in asian american communities the book explores the diversity within the asian community with respect to health seeking behavior and knowledge socioeconomic status educational level cultural traditions and specific health care needs and issues by examining the contextual factors that impact health the book seeks to facilitate a meaningful dialogue and identify creative solutions for health disparities faced by racial and ethnic minority communities

with overview essays and more than 400 a z entries this exhaustive encyclopedia documents the history of asians in america from earliest contact to the present day organized topically by group with an in depth overview essay on each group the encyclopedia examines the myriad ethnic groups and histories that make up the asian american population in the united states asian american history and culture covers the political social and cultural history of immigrants from east asia southeast asia south asia the pacific islands and their descendants as well as the social and cultural issues faced by asian american communities families and individuals in contemporary society in addition to entries on various groups and cultures the encyclopedia also includes articles on general topics such as parenting and child rearing assimilation and acculturation business education and literature more than 100 images round out the set

this volume is the first to take a broad ranging look at the engagement of asian americans with american politics its contributors come from a variety of disciplines history political science sociology and urban studies and from the practical political realm

this book examines the contemporary history culture and social relationships that form the fundamental issues confronted by asians in america today comprehensive yet concise it focuses on a broad range of issues and features a unique comparative approach that analyzes how race class and gender intersect throughout the contemporary asian american experience chapter topics cover the history of asians in america emerging communities changing realities asian americans and educational opportunity workplace issues anti asian violence asian americans and the media asian american families and identities and political empowerment for anyone interested in an understanding and awareness beyond the simplistic stereotype of the model minority through the exposure to

important concerns of asian american groups and communities

southeast asian diaspora in the united states memories and visions yesterday today and tomorrow provides various exploratory interpretations on southeast asian american subjectivities communities histories creativities and cultural expressions as they are revealed informed or infused with visions dreams and or memories of self in relation to others places time and events historically significant or quotidian the interaction and interplay of visions memories and subjectivities is the focus of examination and interpretation either directly or tangentially authors explore varieties of homes religiosities creativities cultural forms and productions and queer sexualities utilizing critical ethnic and asian american studies discourses coupled with other interdisciplinary approaches to provide new and alternative visions on cambodian hmong filipino indonesian lao thai and vietnamese american subjects and their communities that links southeast asia to america in vexing creative and purposeful ways

this text reinterprets a misunderstood and overlooked epoch of the asian american experience the asian american movement aam the authors argue that contrary to the common view of the movement as a passing phase limited to college youth the asian american movement spanned diverse political viewpoints and became increasingly sophisticated and effective asian americans were active participants and played unique roles in the social movements that convulsed the 1960s and 1970s particularly in protests against the vietnam war the book traces the history of the aam from its roots in the 1930s to the present day and its impact on diverse areas of the asian american community most importantly it looks at the societal and community dynamics that led to the movement s trajectory using the lens of social movement theory it analyzes the aam s rise and ebb and possible resurgence the authors argue that the aam constituted a distinct identifiable and relatively stable social movement that dramatically impacted the direction of asian american political and social activity

once thought of in terms of geographically bounded spaces asian america has undergone profound changes as a result of post 1965 immigration as well as the growth and reshaping of established communities this collection of original essays demonstrates that conventional notions of community of ethnic enclaves determined by exclusion and ghettoization now have limited use in explaining the dynamic processes of contemporary community formation writing from a variety of perspectives these contributors expand the concept of community to include sites not necessarily bounded by space formations around gender class sexuality and generation reveal new processes as well as the demographic diversity of today s asian american population the case studies gathered here speak to the fluidity of these communities and to the need for new analytic approaches to account for the similarities and differences between them taken together these

essays forcefully argue that it is time to replace the outworn concept of a monolithic asian america

many asian americans have made great strides in achieving the american dream however this diverse population faces great challenges from outside their communities as well as from within asian american issues brings to the fore eight major issues affecting the asian american population today including media stereotypes of a model minority transnationalism panethnicity intergenerational conflict and cultural expression students will find that the background narrative and questions for debate and discussion are a meaningful way to engage in the current events of this growing ethnic group the history of asian immigrants in the united states spans more than 200 years today they are the third largest minority group almost half live in the west but there are population shifts to other regions of the country as they become more visible community dynamics continue to evolve each generation also struggles with what it means to be asian american

the third edition of the foundational volume in asian american studies who are asian americans moving beyond popular stereotypes of the model minority or forever foreigner most americans know surprisingly little of the nation s fastest growing minority population since the 1960s when different asian immigrant groups came together under the asian american umbrella they have tirelessly carved out their presence in the labor market education politics and pop culture many times they have done so in the face of racism discrimination sexism homophobia and socioeconomic disadvantage today contemporary asian america has emerged as an incredibly diverse population with each segment of the community facing its unique challenges when contemporary asian america was first published in 2000 it exposed its readers to the formation and development of asian american studies as an academic field of study from its inception as part of the ethnic consciousness movement of the 1960s to the systematic inquiry into more contemporary theoretical and practical issues facing asian america at the century s end it was the first volume to integrate a broad range of interdisciplinary research and approaches from a social science perspective to assess the effects of immigration community development and socialization on asian american communities this updated third edition discusses the impact of september 11 on asian american identity and citizenship the continued influence of globalization on past and present waves of immigration and the intersection of race gender sexuality and class on the experiences of asian immigrants and their children the volume also provides study questions and recommended supplementary readings and documentary films this critical text offers a broad overview of asian american studies and the current state of asian america
