introducing a largely neglected area of existing interactions between greco roman antiquity and media theory this volume addresses the question of why interactions in this area matter and how they might be developed further it aims not only to promote awareness of the presence of the classics in media theory but also to encourage more media attentiveness among scholars of greece and rome by bringing together an international team of scholars with interdisciplinary expertise in areas ranging from classical literature and classical reception studies to art history media theory and media history film studies philosophy and cultural studies the volume as a whole engages with numerous aspects of classical greece and rome revolving around issues of philosophy cultural history literature aesthetics and epistemology each chapter provides its own definition of what constitutes mediality and how it operates constructs different genealogies of the concept of the medium and engages with emergent fields within media studies that range from cultural techniques to media archaeology diagrammatology and intermediality by seeking to foreground the persistency of greco roman paradigms across the different strands of media theory the volume persuasively calls for a closer consideration of the conceptual underpinnings of the cultural practices around the transformation of ancient greece and rome into classics

el poder ancestral está a punto de desatar el fin del mundo un código medieval tiene la clave en las ruinas del templo de salomón hace siglos los templarios descubrieron documentos de un poder inimaginable un secreto tan vasto que debió ser ocultado a toda costa esa información fue volcada en un código ahora en el corazón de españa ese mismo código ha resurgido desatando una guerra oculta que podría borrar la línea entre el mito y la catástrofe agustina una brillante historiadora y matías su valiente y fiel compañero se ven arrastrados a este conflicto milenario juntos deben descifrar los enigmas de un manuscrito que vincula constelaciones construcciones ancestrales y energías cósmicas capaces de desatar el caos sobre la faz de la tierra pero la búsqueda no es solo suya mercenarios sectas y hasta gobiernos en las sombras persiguen el código para beneficio propio la lucha es implacable dejando un rastro de sangre y muerte en

una nochebuena que vibra entre fuegos artificiales y explosiones el castillo de ponferrada se convierte en el epicentro de la batalla final mientras el tiempo se agota y las constelaciones se alinean agustina y matías luchan contra un enemigo que no se detendrá ante nada el código templario es un thriller esotérico que te arrastrará a una carrera contrarreloj donde la historia la mitología y la acción se fusionan de manera vibrante descubre un mundo de conspiraciones ocultas antiguos secretos y un poder tan grande que podría cambiar el destino de la humanidad podrá agustina descifrar los misterios del código y preservar su legado ancestral ahora el verdadero juego acaba de comenzar
