an ethnographic account of reiki practice in britain is the result of 14 months of ethnographic research this study while filling a gap in the qualitative literature on reiki practice contributes an ethnographic portrayal of a particular group s construction of well being contributing to medical

anthropology the research findings demonstrate culturally situated ideas and practices related to health wherein the intersubjective nature of healing is a constitutive element for well being the distinctions of this are specific to culture and environment broadening how spirituality and well being are conceptualized anthropologically in addition this book offers a framework for the commoditization of complementary and alternative medicine cam a process where products become a simple commodity for reiki practice this results in spirituality being out of place in the healthcare market the book will be of interest to academics interested in cam research and reiki practitioners alike

this book explores the process of treaty modification by subsequent practice explaining how such practice can significantly revise treaty obligations or even create new ones allowing evolution of the law

with the new edition of my book between utopia and tyranny the fascination and horror of communism i offer you an in depth analysis of the phenomenon of communism introducing you to the history and ideologies behind one of the most influential political movements of the 20th century why was this ideology of horror able to gain so much influence and why does it seem to be gaining fascination again immerse yourself with me in the world of thought of marx lenin and beyond as we examine the dreams challenges and reality of communism we discover the reality that this ideology once created to do this we use the experiences of the countries where communism ruled and in some cases still rules and we shed light on individual fates that represent people who suffered under these systems this new edition offers not only a comprehensive historical perspective but also current analyses of why these ideas continue to polarize and inspire ideal for political science students historians and anyone who wants to delve deeper into the political landscape expand your understanding of one of the most influential movements of our time hermann selchow
