the perfect escape
usa today readers who loved emily henry s book
lovers are sure to savor nora goes off script
shelf awareness named one of the best beach reads of summer by the washington post
usa today cosmopolitan southern living country living business insider
buzzfeed book riot the augusta chronicle
nora s life is about to get a rewrite
nora hamilton knows the formula for love better than anyone as a romance channel screenwriter it s her job but when her too good to work husband leaves her and

their two kids nora turns her marriage s collapse into cash and writes the best script of her life no one is more surprised than her when it s picked up for the big screen and set to film on location at her 100 year old home when former sexiest man alive leo vance is cast as her ne er do well husband nora s life will never be the same the morning after shooting wraps and the crew leaves nora finds leo on her porch with a half empty bottle of tequila and a proposition he ll pay a thousand dollars a day to stay for a week the extra seven grand would give nora breathing room but it s the need in his eyes that makes her say yes seven days it s the blink of an eye or an eternity depending on how you look at it enough time to fall in love enough time to break your heart filled with warmth wit and wisdom nora goes off script is the best kind of love story the real kind where love is complicated by work kids and the emotional baggage that comes with life for nora and leo this kind of love is bigger than the big screen

it has often been pointed out that twentieth century painting and physics share a common tendency toward probing behind appearances into the underlying structure of things the author provides a concise summary of those aspects of modern science that relate to his theme including the development of a third science that embraces information communication automation and systems theory he also provides in parallel a concise history of the modern movement in painting jacket

the edition benefits from full scholarly apparatus including a general introduction volume introductions headnotes endnotes and a consolidated index in the final volume the set is broadly interdisciplinary and will appeal to those researching social and cultural history history of science history of religion literature and history of the supernatural as well as early modern eighteenth and nineteenth century history it includes rare sources not available on ecco ebbo or google books it takes a chronologically broad view of the history of the supernatural from the reformation to the twentieth century the new editorial material includes a general introduction volume introductions headnotes endnotes and a consolidated index in the final volume each facsimile page is digitally cleaned and enhanced significantly improving on the quality and legibility of the original
