the 21st century's first major academic reassessment of impressionism providing a new generation of scholars with a comprehensive view of critical conversations presenting an expansive view of the study of impressionism this extraordinary volume breaks new thematic ground while also reconsidering established questions surrounding the definition chronology and membership of the impressionist movement in 34 original essays from established and emerging scholars this collection considers a diverse range of developing topics and offers new critical approaches to the interpretation of impressionist art focusing on the 1860s to 1890s this companion explores artists who are well represented in impressionist studies including monet renoir degas and cassatt as well as morisot caillebotte bazille and other significant yet lesser known artists the essays cover a wide variety of methodologies in addressing such topics as impressionism's global predominance at the turn of the 20th

century the relationship between impressionism and the emergence of new media the materials and techniques of the impressionists and the movement's exhibition and reception history part of the acclaimed Wiley Blackwell Companions to Art History series this important new addition to scholarship in this field reevaluates the origins chronology and critical reception of French Impressionism discusses Impressionism's account of modern identity in the contexts of race nationality gender and sexuality explores the global reach and influence of Impressionism in Europe the Middle East East Asia North Africa and the Americas considers Impressionism's relationship to the emergence of film and photography in the 19th century considers Impressionism's representation of the private sphere as compared to its depictions of public issues such as empire finance and environmental change addresses the Impressionist market and clientele period criticism and exhibition displays from the late 19th century to the middle of the 20th century features original essays by academics curators and conservators from around the world including those from France Germany the United States the United Kingdom Japan Turkey and Argentina the Wiley Blackwell companion to Impressionism is an invaluable text for students and academics studying Impressionism and late 19th century European art Post Impressionism Modern Art and Modern French Cultural History

When Paris Sizzled vividly portrays the city of light during the fabulous 1920s *les années folles* when Parisians emerged from the horrors of war to find that a new world greeted them one that reverberated with the hard metallic clang of the assembly line the roar of automobiles and the beat of jazz Mary McAuliffe traces a decade that saw seismic change on almost every front from art and architecture to music literature fashion entertainment transportation and most notably behavior the epicenter of all this creativity as well as of the era's good times was Montparnasse where impoverished artists and writers found colleagues and cafés and tourists discovered the Paris of their dreams major figures on the Paris scene such as Gertrude Stein Jean Cocteau Picasso Stravinsky Diaghilev and Proust continued to hold sway while others now came to prominence including Ernest Hemingway Coco Chanel Cole Porter and Josephine Baker as well as André Citroën Le Corbusier Man Ray Sylvia Beach James Joyce and the irrepressible Kiki of Montparnasse Paris of the 1920s unquestionably sizzled yet rather than being a decade of unmitigated bliss *les années folles* also saw an undercurrent of despair as well as the rise of ruthless organizations of the extreme right aimed at annihilating whatever threatened tradition and order a struggle that would escalate in the years ahead through rich illustrations and evocative narrative Mary McAuliffe brings this vibrant era to life

Om den store opbygning af impressionistiske samlinger der i starten af 1900 tallet fandt sted i de nordiske lande og om hvordan den nordiske kunst blev påvirket

This is the first English text on both sides of the Atlantic to unlock fully the secrets of Impressionist methodology for the connoisseur and art enthusiast alike and it is illustrated in full color with some of the artists' finest works

the oakland six may constitute the most important modernist development that occurred in this country during the 1920s  
william h gerdts author of american impressionism

a major biography of the artist supported by a wealth of examples of his work

this volume is the first to explore fashion as a critical aspect of modernity one that paralleled and many times converged with the development of impressionism starting in the 1860s and continuing through the next two decades when fashion attracted the foremost writers and artists of the day although fashionable subjects have been depicted throughout history for many artists and writers including charles baudelaire st phanie mallarm   mile zola gustave caillebotte edgar degas  douard manet claude monet berthe morisot and pierre auguste renoir fashion became integral to the search for new literary and visual expression book jacket

an exploration of the impressionist painters relationship with the world around them and the direct and indirect ways in which this provided subject matter for their art this book presents an examination of what their painting was about rather than how or when it was made

the art of the impressionists is beloved of experts and non experts alike paul smith reexamines this popular group of artists in light of recent scholarship on the social context of late nineteenth century france he begins with edouard manet often seen as a forerunner of impressionism a sophisticated detached ironic observer of the social scene in paris he then examines various key artists of the impressionist movement renoir degas morisot cassatt monet pissarro to offer a lively reading of such topics as the role of women in impressionism the influence of industrialization the invention of modern color theory the social position of the artist and the use of psychoanalytic theory in the understanding of art the result is to make this very familiar art movement seem fresh and new to conclude he proposes cezanne s art as the culmination of and heir to the impressionist experiment

a comprehensive study of one of the most popular art movements

a scholarly introduction to impressionism in literature with attention to impressionism in painting

as this major contribution to art history shows impressionism was far more than a french movement that spread to other countries rather it was an approach to art adopted by artists of all nationalities who responded to light and atmospheric conditions to landscape and cityscape with an explosion of enthusiasm that was felt around the globe
