when asked where is murray bay us president taft always replied murray bay is a state of mind for over two hundred years the charlevoix region has played host to some of the world s most famous and adventurous travellers considered the newport of canada charlevoix has been a meeting place for rural french canadians and urban english speaking visitors

this book provides both a detailed survey of canadian travel writing in the nineteenth century and an unusual perspective on canadian cultural history the canadians who wrote

about their experiences abroad during the era of mass travel which followed the advent of the steamship reveal much about themselves and their own country as well who were these travellers why did they travel and what did they expect to see in answering these questions eva marie kroll draws upon a wide variety of materials novels guide books magazines newspapers photographs paintings and previously unpublished letters and diaries the self assured progress of the privileged canadian travellers often turned into introspective voyages of self discovery for one thing europeans often mistook them for americans and many had to ask themselves what it really meant to be canadian in addition the tone of moral earnestness which pervades the early travellers tales begins to give way to a certain world weariness by the end in canada and elsewhere the tourist was a new phenomenon at the beginning of the period but an accepted part of the modern world by the end of it canadian travellers in europe will be required reading for devotees of travel writing but it is also a significant contribution to nineteenth century canadian history
