there have been many attempts to define the generation of students who emerged with the and new digital technologies in the early 1990s the term digital native refers to the generation born after 1980 which has grown up in a world where digital technologies and the internet are a normal part of everyday life young people belonging to

this generation are therefore supposed to be native to the digital lifestyle always connected to the internet and comfortable with a range of cutting edge technologies deconstructing digital natives offers the most balanced research based view of this group to date existing studies of digital natives lack application to specific disciplines or conditions ignoring the differences of educational fields and gender how and how much are learners changing in the digital age how can a more pluralistic understanding of these learners be developed contributors to this volume produce an international overview of developments in digital literacy among today's young learners offering innovative ways to steer a productive path between traditional narratives that offer only complete acceptance or total dismissal of digital natives

losing weight and successfully maintaining it over the long term is not as much about what you put in your stomach it's more about what's happening in the brain in brain powered weight loss psychotherapist and weight management expert eliza kingsford shows that more than 90 percent of people who go on diet programs even healthy ones fail or eventually regain because they have a dysfunctional relationship with food changing this relationship by changing the way you think about and behave around food is what it takes to permanently achieve weight loss success kingsford's 11 step first of its kind program enlists dozens of mind altering and behavior changing exercises and techniques and shows you how to identify and reverse the conscious and unconscious thinking errors and food triggers that lead to the behaviors that drive our food decisions let go of the mindset of going on or off a diet in favor of a conscious quest to pursue a lifestyle of healthy eating and everyday activity one that can last forever successfully use what kingsford calls dealing skills to outsmart high risk situations tame stressful times and prevent an eating slip from leading to a setback or all out binge find out if you have what emerging research shows is an addiction to certain high fat and sugar added processed foods that can be as powerful as addiction to cigarettes and narcotics design a personal healthy eating program built on kingsford's 10 principles of healthy eating
