into the heart of god offers warm personal reflections for daily devotion on the spiritual journey that all of us in some way or other must travel to seek god

how we the people can reclaim our democracy updated with a discussion guide author videos and a new chapter length introduction in this updated edition of his prophetic book renowned author and activist parker j palmer celebrates the power of we the people to resist the politics of divide and conquer with the u s now on a global list of backsliding

democracies palmer writes about what we can do to restore civil discourse reach for understanding across lines of difference focus on our shared values and hold elected officials accountable he explores ways we can reweave the communal fabric on which democracy depends in everyday settings such as families neighborhoods classrooms congregations workplaces and various public spaces including five habits of the heart we can cultivate as we work to fulfill america's promise of human equality in the same honest vulnerable compelling and inspiring prose that has won palmer millions of readers healing the heart of democracy awakens our instinct to seek the common good and gives us the tools to pursue it with a text enhanced by a discussion guide and forty online author videos on key issues you'll be able to reflect on the personal implications of the claim that the human heart is the first home of democracy consider everyday actions you can take to restore the infrastructure that supports our democracy transcend the us vs them mentality and find ways to expand and enrich your life by appreciating the value of otherness reignite your sense of personal voice and agency to resist authoritarian appeals and restore a politics of freedom and responsibility healing the heart of democracy is for anyone who values the gift of citizenship and wants to make a difference for themselves their families and communities and our collective wellbeing as the late congressman john lewis said we have been trying to bridge the great divides in this great country for a long time in this book parker j palmer urges us to keep on walking keep on talking just as we did in the civil rights movement until we cross those bridges together

nine short stories centred round a golf club and related by the oldest member who sits in a corner observing the highs and lows of younger members in matters of golf and love characters appear in more than one story

a children's novel by the italian author edmondo de amicis who was a novelist journalist short story writer and poet the novel is his best known work to this day having been inspired by his own children furio and ugo who had been schoolboys at the time it is set during the italian unification and includes several patriotic themes it was issued by treves on october 18 1886 the first day of school in italy and rose to immediate success through its investigation of social issues such as poverty heart shows the influence of left wing ideologies on de amicis work he was later to join the italian socialist party because of this the book remained influential and the staple of many textbooks in countries of the eastern bloc on the other hand the book's strong evocation of italian nationalism and patriotism also made it very welcome in fascist italy the novel is written in a diary form as told by enrico bottini an 11 year old primary school student in turin with an upper class background who is surrounded by classmates of working class origin the entire chronological setting corresponds to the third grade season of 1881-82 enrico says it has been four years since the death of victor emmanuel ii king of italy and the succession by umberto i and also tells about the death of giuseppe garibaldi which happened in 1882 enrico's parents and older sister silvia interact with him as written in his diary as well as his teacher who assigns him

with homework that deals with several different stories of children throughout the italian states who should be seen as role models these stories are then given in the book as enrico comes upon reading them every story revolves around a different moral value the most prominent of which are helping those in need having great love and respect for family and friends and patriotism these are called the monthly stories and appear at the end of every school month

from its physical attributes to its power as a literary metaphor to its religious significance and beyond here is the captivating story of the role of the heart in our lives and culture there is a universal fascination with the human heart every age and civilization has developed theories and beliefs about it which overlap support and sometimes undermine one another it is celebrated as the home of faith love and courage the seat of the soul no other organ has inspired so many poets writers painters and religious thinkers and references to it abound in advertising cultural kitsch song lyrics and everyday language and imagery shedding light on the heart s many mysteries and meanings the chapters in the book of the heart explore the physical heart a natural history of the heart its strengths and weaknesses the anatomy of the human heart the religious heart the bleeding heart the sacrificial heart the heart s place in cannibalism and other rituals the heart in art visual depictions of the heart from classical art to tatoos fruits and other symbols of the heart the written heart poetry and song romantic love myths and legends the novel filled with fascinating tidbits for instance a giraffe requires a heart weighing sixty six pounds to pump blood up its neck and graced with charming illustrations the book of the heart is a great valentine s day gift and the perfect book to pick up for some heartening entertainment any time of the year
