the accounts of people who attended school in the 1950s and 1960s reveal indiscipline injustice and indifference bullying was endemic by pupils and teachers this book makes a case that primary and secondary schools in england and wales have improved it challenges the public perceptions and pessimistic views so often proclaimed by the media

early childhood studies is fast becoming a separate academic discipline and this single volume provides an overview of current issues and approaches in the subject as taught on many courses the book reflects the multi professional and multi disciplinary range and scope of the subject introducing students to different ways of studying the richness and complexity of children s lives and children s worlds

this book addresses the question of human rights education in a world that is witnessing a resurgence of religion in public life and a continuation of religion across much of the globe long after secularization theories predicted its decline promoting a universal vision of human rights while acknowledging religious diversity is a challenge for schools this book starts with the basic premise that human rights are grounded in a belief in the dignity and ultimate worth of the human person drawing on key philosophical and theological sources for understanding dignity it builds a vision of human rights and religious education that seeks to square the impossible circle of universal human rights education in a religiously diverse world
