steven patrick morrissey is one of the most original and controversial voices in the history of popular music with the smiths he led the most influential british guitar group of the 1980s his enigmatic wit and style defining a generation as a solo artist he has continued to broach subjects no other singer would dare worshipped by some vilified by others morrissey is a unique rock and roll creation the 300 000 words of mozipedia make this the most intimate and in depth biographical portrait of the man and his music yet bringing together every song album collaborator key location every hero book film and record to have influenced his art it is the summation of years of meticulous research morrissey authority simon goddard has interviewed almost everybody of any importance making mozipedia the last word on morrissey and the smiths

a complete handbook of information and opinion about the history of the most fragmented decade in the history of popular music it contains 1000 entries on every band musician songwriter producer and record label that had a significant impact on the development of rock and pop music in those ten years

unearthing the messy and sprawling interrelationships of place wellbeing and popular music this book explores musical soundscapes of health ranging from activism to international charity to therapeutic treatments and how wellbeing is sought and attained in contexts of music drawing on critical social theories of the production circulation and consumption of popular music the book gathers together diverse insights from geographers and musicologists popular music has become increasingly embedded in complex and often contradictory discourses of wellbeing for instance some new genres and sub cultures of popular music are associated with violence drug use and

the angst of living yet simultaneously define the hopes and dreams of millions of young people at a service level popular music is increasingly used as a therapeutic modality in holistic medicine as well as in conventional health care and public health practice the genre of popular music then is fundamental to human wellbeing as an active and central part of people's emotional lives by conceptually and empirically foregrounding place this book demonstrates how music whether from particular places about particular places or played in particular places is a crucial component of health and wellbeing

one of the keys to the enduring popularity of the british singer morrissey is his carefully crafted enigmatic persona this critical book examines the role of enigma in the celebrity's public life exploring how a level of mystery is maintained through television interviews videos reviews and concerts as well as through his music and lyrics of particular interest is the way in which enigma stimulates interest and desire in his audience and how the artist manipulates traditional modes of masculinity and the conventions of pop music to further cultivate enigma

madness were true originals who mixed ska and reggae rhythms with social comment and music hall humour to become a british group like no other they were the most successful uk singles band of the 80s offering a larky down to earth take on thatcher's britain through hits like my girl one step beyond house of fun and baggy trousers their appeal endures to this day madness latter day concerts having become fun packed celebrations of one of the best loved songbooks in british pop like most bands madness had their trials and tribulations including band disputes accusations of racism and an eventual split but by then they had become a unique part of british pop history in this book john reed tells their colourful story with a perceptive industry eye and the help of insights from many insiders and colleagues of the band

we communicate multimodally everyday communication involves not only words but gestures images videos sounds and of course music music has traditionally been viewed as a separate object that we can isolate discuss

perform and listen to however much of music's power lies in its use as multimodal communication it is not just lyrics which lend songs their meaning but images and musical sounds as well the music industry governments and artists have always relied on posters films and album covers to enhance music's semiotic meaning music as multimodal discourse semiotics power and protest considers musical sound as multimodal communication examining the interacting meaning potential of sonic aspects such as rhythm instrumentation pitch tonality melody and their interrelationships with text image and other modes drawing upon and extending the conceptual territory of social semiotics in so doing this book brings together research from scholars to explore questions around how we communicate through musical discourse and in the discourses of music methods in this collection are drawn from critical discourse analysis social semiotics and music studies to expose both the function and semiotic potential of the various modes used in songs and other musical texts these analyses reveal how each mode works in various contexts from around the world often articulating counter hegemonic and subversive discourses of identity and belonging

this book is about forms of media that have reflected or increased consciousness of a sense of place or a regional identity from landscape painting in the romantic era to newspaper coverage of devolution the chapters explore through contextualized case studies the aesthetics of a wide range of local regional and grassroots forms of media
