andrew fuller 1754 1815 perhaps the most prominent particular baptist of the eighteenth century has been the subject of much scholarly interest in recent years no comparative study however has been done on the two biographies that give us much of our knowledge of fuller s life john ryland jr 1753 1826 fuller s closest friend and ministry partner not only supervised the publication of fuller s works but sought to give a careful accounting of his friend s piety but ryland s volume stood in contrast with the less flattering portrait painted by publisher and pastor j w morris 1763 1836 this critical edition of ryland s 1816 biography provides contextual background and comparative analysis of the two volumes and shows how ryland amended his text for its 1818 republication in light of morris work it also demonstrates the profound influence of jonathan edwards 1703 1758 on ryland s biographical approach while edwards s influence on ryland and fuller is widely known this volume shows how edwards s biographical work especially that of david brainerd influenced ryland s aim to promote pure and undefiled religion through recounting

the life of his friend

from 1844 to 1847 Margaret Fuller served as review editor for Horace Greeley's New York Herald Tribune and herself reviewed books by Edgar Allan Poe and Herman Melville among others and published papers on literature and art. A volume of her own essays she became known as something of a radical in literary circles allying herself with George Sand, Emerson and Goethe and with the young American poets Everett Ruess, Duyckinck, Cornelius Mathews and William Gilmore Simms. In August 1846 Fuller left for Europe with her friends Marcus and Rebecca Spring. Her letters describe her meetings there with Thomas Carlyle, George Sand, Lamennais and the aging Wordsworth and with such political figures as the exiles Giuseppe Mazzini and Adam Mickiewicz. Often the letters expand upon topics addressed in her public writing. Her life in these years however is dominated by her love for the German businessman James Nathan. The nearly fifty letters she wrote to him in 1845 and 1846 show her startling willingness to take a subservient role and her longing for emotional acceptance. Dreams of a lasting relationship with Nathan end in Europe with his betrothal to another woman but by the spring of 1847 she had recovered from her deep disappointment and gone on to achieve great personal growth both in her consciousness of herself as a woman and in political awareness. By the time this volume comes to a close she has met Giovanni Ossoli, a man who shares her ideals and offers her emotional security.

A fascinating biography of the man who rose to become the eighth chief justice of the United States of America. A great read for any fan of political or legal history.
