inhaltsangabe introducción este estudio parte de la concepción de que la cortesía
lingüística se expresa y se manifiesta de forma distinta entre las culturas el trato de tú
y el trato de usted en el marco de la cortesía lingüística nos interesaron desde muy
pronto al observar las dificultades que presentaba su definición y delimitación así

como su estudio en general pero sobre todo nos llamó la atención la dificultad de su interpretación a otro idioma en concreto del alemán al español y viceversa la forma mediante la cual se lleva a cabo la didáctica de las asignaturas de técnicas de interpretación consecutiva y técnicas de interpretación simultánea en la modalidad de alemán de la facultad de traducción e interpretación de granada despertó mi interés por la interpretación en estas clases se hace un acercamiento y una preparación a la interpretación consecutiva ic y a la simultánea is por medio de la enseñanza de la interpretación bilateral ib como alumno he apreciado mucho este método y fue la directora de este proyecto fin de carrera quién me incitó a investigar sobre dos elementos de cortesía concretos dentro de la combinación lingüística alemán y español el trato de tú y el trato de usted por consiguiente la idea del tema de este proyecto parte de mi primer contacto in vivo con la interpretación realizando una interpretación bilateral en la combinación lingüística español y alemán en una reunión la cual tenía como objetivo la creación de una asociación de vecinos en paraíso al mar una urbanización en guardias viejas en la provincia de almería en la que aproximadamente el 70 de habitantes son alemanes asistieron representantes del ayuntamiento por un lado así como varios representantes alemanes que actuaban en nombre de la urbanización por otro al comienzo de la reunión me sorprendió mucho al igual que a muchas otras personas que se encontraban en el público que los representantes del ayuntamiento tutearan a los representantes alemanes que actuaban en nombre de la urbanización sin conocerlos de nada por consiguiente qué decisión toma el intérprete mediador en una situación de este tipo se decanta por una interpretación literal trato de tú o por una interpretación más bien comunicativa y o libre trato de usted yo escogí la segunda opción el trato de usted y la justificación es una experiencia personal he vivido durante mucho tiempo tanto en españa como en alemania y por ejemplo en alemania
