in the late victorian folksong revival the persistence of english melody 1878 1903 e david gregory provides a reliable and comprehensive history of the birth and early development of the first english folksong revival continuing where victorian songhunters his first book left off gregory systematically explores what the late victorian folksong collectors discovered in the field and what they published for posterity identifying differences between the songs noted from oral tradition and those published in print in doing so he determines the extent to which the collectors distorted what they found when publishing the results of their research in an era when some folksong texts were deemed unsuitable for polite ears the book provides a reliable overall survey of the birth of a movement tracing the genesis and development of the first english folksong revival it discusses the work of more than a dozen song collectors focusing in particular on three key figures the pioneer folklorist in the english west country reverend sabine baring gould frank kidson who greatly increased the known corpus of yorkshire song and lucy broadwood who collected mainly in the counties of sussex and surrey and with kidson and others was instrumental in founding the folk song society in the late 1890s the book includes copious examples of the song tunes and texts collected including transcriptions of nearly 300 traditional ballads broadside ballads folk lyrics occupational songs carols shanties and national songs demonstrating the abundance and high quality of the songs recovered by these early collectors

sounding the color line explores how competing understandings of the u s south in the first decades of the twentieth century have led us to experience musical forms sounds and genres in racialized contexts yet though we may speak of white or black music rock or rap sounds constantly leak through such barriers a critical disjuncture exists then between actual interracial musical and cultural forms on the one hand

and racialized structures of feeling on the other this is nowhere more apparent than in the south like jim crow segregation the separation of musical forms along racial lines has required enormous energy to maintain how asks nunn did the protocols structuring listeners racial associations arise how have they evolved and been maintained in the face of repeated transgressions of the musical color line considering the south as the imagined ground where conflicts of racial and national identities are staged this book looks at developing ideas concerning folk song and racial and cultural nationalism alongside the competing and sometimes contradictory workings of an emerging culture industry drawing on a diverse archive of musical recordings critical artifacts and literary texts nunn reveals how the musical color line has not only been established and maintained but also repeatedly crossed fractured and reformed this push and pull between segregationist cultural logics and music's disrespect of racially defined boundaries is an animating force in twentieth century american popular culture

fresh as the breezes of that ocean to which they owe their inspiration the chanties and songs here collected come to us as a most interesting and unique contribution to our literature of the sea for this volume contains no mere study compilation of more or less authentic sea ditties mingled with the nautical effusions of landsmen it is original in its conception and execution with one or two trifling exceptions it is a collection of what may be styled the genuine article not the creation of landsmen written for or about sailors but the actual working songs of the sea that were in use at the present time still further this book contains not merely the ditties of our own jack tars but a selection of the sea songs of nearly all maritime nations translated and ably commented on from a literary musical and nautical point of view together with a good deal of interesting information regarding them introductory note
