lockwood a wealthy man from the south of england who is seeking peace and recuperation rents thrushcross grange in yorkshire he visits his landlord heathcliff who lives in a remote moorland farmhouse wuthering heights there lockwood finds an odd assemblage heathcliff seems to be a gentleman but his manners are uncouth the reserved mistress of the house is in her mid teens and a young man who seems to be a member of the family yet dresses and speaks as if he is a servant snowed in lockwood is grudgingly allowed to stay and is shown to a bedchamber where he notices books and graffiti left by a former inhabitant named catherine he falls asleep and has a nightmare in which he sees the ghostly catherine trying to enter through the window he cries out in fear rousing heathcliff who rushes into the room lockwood is convinced that what he saw was real heathcliff believing lockwood to be right examines the window and opens it hoping to allow catherine s spirit to enter when nothing happens heathcliff shows lockwood to his own bedroom and returns to keep watch at the window at sunrise heathcliff escorts lockwood back to thrushcross grange lockwood asks the housekeeper nelly dean about the family at wuthering heights and she tells him the tale

you know the sayings love conquers all all you need is love love is many splendored thing how about this one love is incestuous psychologically damaging manipulative violent digs up your corpse when you die and wants to be haunted by your ghost forever and ever it may not be the sentiment on most valentines day cards but it sure is the pervasive opinion on l amour in wuthering heights does that sound like kind of a horrific idea of love to you we have bad news for you you re almost totally alone in thinking that wuthering heights and its warped idea of true love is often voted the 1 greatest love story wuthering heights published in 1847 revolves around the passionate and destructive love between its two central characters emily brontë s headstrong and beautiful catherine earnshaw and her tall dark handsome and brooding hero devil heathcliff forget the romantic candlelit dinners the wine and the roses catherine and heathcliff s love exists

on an entirely different plane one that involves ghosts corpses the communion or possession of souls and revenge and speaking of revenge heathcliff who harbors more than one grudge against his adoptive family the love of his life and his neighbors manages to make every revenge drama look like kids play though wuthering heights is considered a classic the book wasn't always so popular in fact when it first came out there was all sorts of confusion about the author because brontë published the book under the pseudonym ellis bell readers thought the book was by the same author who wrote jane eyre which was more immediately embraced by the public because the characters are a lot more likable turns out emily's sister charlotte wrote jane eyre under the pseudonym currer bell to set the record straight charlotte wrote the preface to the 1850 edition of wuthering heights and also took the opportunity to address some of the bad press the book had received critics basically thought the book was a downer and some even characterized it as immoral um we don't usually agree with critics from the 1850's but they were half right this book is a downer heathcliff is amoral but that doesn't keep the love story in wuthering heights from being one of the most passionate love stories ever told or one of the most often adapted sure its idea of love is psychotic sure it's uber unhealthy sure it makes blank space look like a really level headed approach to eros but that's the point sometimes madly in love means just that that love has rendered you literally mad sometimes it ain't healthy it's not a good idea but all consuming stay up all night hurts worse than a root canal love is real and emily brontë's novel tells it like it is welcome to wuthering heights where love will tear you apart follow you every step you take and come in like a wrecking ball
