according to francis chan the crazy people in this world are those who experience god's love and remain complacent not those who let go of all they have and follow him completely chan's groundbreaking book crazy love has transformed the lives of millions and is now available in a new hardcover edition

the author of *crazy love* returns with a passionate reminder of the most important truth we can know: abiding in the love of God frees us from insecurity and leads us into a lifetime of joyful worshipful obedience.

addressing a variety of views on hell, the Bible, and the character of God, offers an eloquent response to the recent media storm surrounding questions of eternal destiny.

revised updated edition *God is Love: Crazy, Relentless, All-Powerful Love*. Have you ever wondered if we're missing it? It's crazy if you think about it: the God of the universe, the creator of nitrogen and pine needles, galaxies and everything, loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical solutions? God is calling you to a passionate love relationship with himself because the answer to religious complacency isn't working harder at a list of do's and don'ts. It's falling in love with God. And once you encounter his love as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. this 365-day devotional from New York Times bestselling author Francis Chan will reveal the heart and faith behind his prophetic voice to the church. When you pick up this book, you will be challenged; you will be pushed; and you can't help but change.

about the book as Francis so brilliantly illustrates, the life that Jesus calls us to is absolute craziness to the world. Sure, it's fine and politically correct to believe in God, but to really love him is a whole different story. This signature quote by worship leader Chris Tomlin, written in the foreword to *crazy love*, is a perfect starting place for getting an understanding of Francis Chan's powerful work and the significance of it in our culture. I like that Tomlin refers to what Chan does first and foremost as illustration—that's insightful because although *crazy love* is rich with controversy, if we dare to view it from the onset through the lens of the term *illustrator*, we are much more likely to enjoy the ride. In common usage, *illustrate* means to paint a picture that captures or enables us to see the words. Writers at Dictionary.com defines *illustrate* as to clarify or explain by use of examples, explain or decorate with pictures to enlighten with that said, then Chan stands as one man with a paintbrush, a vision, and a point of view, all of which bow to his experiences, both spiritual and natural. Meet the author, Teirrah McNair, is a college graduate who has been writing for stage, video, and publications for over 20 years.
