in black quare and then to where jennifer susanne leath explores the relationship between
afrodiasporic theories of justice and black sexual ethics through a womanist engagement

with maât the ancient egyptian deity of justice and truth maât took into account the historical and cultural context of each human s life thus encompassing nuances of politics race gender and sexuality arguing that maât should serve as a foundation for reconfiguring black sexual ethics leath applies ancient egyptian moral codes to quare ethics of the erotic expanding what relationships and democratic practices might look like from a contemporary maâtian perspective she also draws on pan africanism and examines the work of alice walker e patrick johnson cheikh anta diop sylvia wynter sun ra and others she shows that together these thinkers and traditions inform and expand the possibilities of maâtian justice with respect to black sexual experiences as a moral force leath contends maât opens new possibilities for mapping ethical frameworks to understand redefine and imagine justices in the united states

enslaved africans brought their music and religion with them to america they adapted their spiritual worldview into the existing christian framework for survival the god of the oppressor was transformed into the god of liberation and justice salvation became the conduit for survival sacred song was embedded with african spirituality and african american theology to create a religious experience from the seventeenth century to the twentieth century that sustained african american people and became established forms of praise and worship the civil rights movement changed the religious reality of african american people sacred song in the twenty first century has many challenges will the legacy and heritage of sacred song survive

backed by an international roster of experts as contributors this new book will examine the liturgical traditions of orthodox catholic and protestant and pentecostal traditions throughout history and across the world with 240 photographs and 10 maps the full geographical spread of christianity is covered including europe north america latin america africa east asia and the pacific

written by leading scholars from around the world the articles in this volume range from sin sufism and terrorism to theology in the 19th and 20th centuries vatican i and ii and the virgin birth

study of the disposition of the christian religion and of the role of the christian church in africa south of sahara covers historical aspects problems of accession to independence the challenge of nationalist movements factors of tradition and social change bible languages the educational role of the church cultural factors social services of the church etc statistical

notes pp 163 and 164 select bibliography pp 183 to 186 and maps
