miss jenkins tells her class the history of the piano causing all the children to request pianos for christmas included are brief histories of twelve famous composers and pianists

did you use to play the piano and would you like to play again this is the first of three books of play it again piano it will reunite you with the keyboard using real pieces from the piano repertoire to teach specific techniques and tips to get you playing fluently once again the level of pieces in this first book progresses from around uk grades 1 to 4 elementary to intermediate i used to play the piano aimed at returning players who have spent some time away from the keyboard play it again piano gives you the confidence to revisit this fulfilling pastime and go beyond what you previously thought you could achieve each of the 28 pieces in book 1 is accompanied by two full pages of easy to understand practice tips all designed to get your fingers speeding comfortably across the keys once again there are more comprehensive piano technique and theory sections at the front and back of each book so you can also delve deeper to regain a fuller understanding of music and technique a refresher course for all abilities each book is arranged in 4 progressive sections with book 1 moving from elementary to intermediate and book 2 taking you from late intermediate to late advanced dip in and out wherever your level of playing suits this

two book course starts with simple and elegant miniatures and concludes with the famously showy prelude in c sharp minor by rachmaninoff confident pianists could start with book 2 but there is a wealth of delightful repertoire and valuable practice tips in book 1 it's always useful to go back to basics from schumann to shuffles baroque classical and romantic works sit alongside jazz ragtime contemporary or traditional pieces at every level so each lesson brings something different and you'll learn to play in a range of styles some of which may be new to your fingers if you often find yourself saying i used to play the piano but wish you still did then play it again piano is the resource for you

learning how to play the piano can be a really exciting time there are so many different instruments out there to learn but none will provide us with benefits and all the mastery of learning an instrument like the piano can mini musician starts out with the piano and then progressed using the skills they learned to learn a new instrument later on and this guy book we will spend some time looking at the piano to work with it and some of the reasons why you should choose the piano has your instrument of choice rather than something else in this book we will spend some time looking at the scales and chords so that you can actually play some of the music you would like to play so you can start with some songs but a lot of us will talk about the different things you can do to prepare for playing the piano we will look at the benefits of playing the piano how to properly care and maintain the piano how to strengthen your hands to actually play on the keys and the importance of good posture to make sure that you don't get tired or back pain from trying to play many times these simple things are forgotten when learning how to play the piano because they don't seem as important as playing the keys or learning the notes they really do have a spot in your practice sessions though and you should take the time to learn how to work with them this guidebook will make sure that you can get that done without having to worry whether you're sitting up right playing the keys right or doing anything else let me make playing piano harder in this guidebook we will look at lots of topics about playing the piano for the beginner some of the topics we will explore include benefits of playing the piano how to take care of and clean your piano so it always works well how to strengthen your hands and some exercises to make playing a little bit easier how to have the right body posture while playing the piano piano chords and how to play some of the most common chord how to take those piano chords and turn them into some of the most common scale helping you to play any song you would like there are a lot of

instruments out there to choose from some are big and some are loud and some are super quiet but if you were looking for an instrument to play and the piano is the one that you should go with when you are ready to learn how to play the piano and all the parts that go with it for a beginner make sure to look at this guidebook and see exactly how to get started

the full ebook version of the piano in black and white by mark tanner in fixed layout format with downloadable audio the piano in black and white is for everyone with an unrequited love for the piano it will entice complete beginners to climb a few important rungs up the ladder coax the fainthearted to become fully fledged players and welcome back those whose previous pianistic experience did not take them far enough packed with inspirational advice this book demystifies the process of learning the piano through easy to follow photographs play along online audio and unique techniques such as finger pilates and the ten by five practice method by the end of the book you will be able to play 12 beautiful pieces making this an unmissable book for all would be pianists

now you can master bach s most beautiful prelude even if you ve never sat down at a piano before do you have a piano or keyboard and forty five spare minutes every day then spend the next six weeks with acclaimed concert pianist james rhodes by the end you ll be able to perform bach s prelude no 1 in c major no prior musical experience required rhodes reveals how to play the piano step by step how to read the treble and bass clefs as well as sharp and flat notes and then how to practice before teaching the prelude in easy bite size segments his method is free of tedious drills and filled with inspiration if listening to music is soothing for the soul then playing music is achieving enlightenment before you know it not only will you have learned how to play one of bach s most beloved masterpieces you also will have unleashed your creativity exercising your mind and fingers and accomplishing something you never thought possible bravo includes four instructional videos supported by select e reader devices
