we live in a foolish world with women making bad choices and suffering from the collateral damage of other's wrong choices. The one-year wisdom for women devotional based on the audio program of the same name was birthed out of the great need for women to hear how God addresses every single facet of their lives through the powerful and practical book of Proverbs. For many, the Proverbs are hard to study because the topics jump around from verse to verse. The one-year wisdom for women devotional is a practical tool that will help women in their daily walk with the Lord. It is a great companion to the one-year Bible because it directly follows that book's daily Proverbs reading each day. Not only follows the script of the wisdom for women audio program, it also references the one-year Bible reading schedule and ends with a powerful call to action.
