no words no language about god can ever fully reflect the divine mystery the loving father image is the one with which children are most familiar this book helps children experience another metaphor for god its songs stories pictures prayers and activities introduce children to the nurturing tender care of mother god who loves them unconditionally

you will devour these beautifully written and very important tales of honesty pain and resilience elizabeth gilbert new york times bestselling author of eat pray love and city of girls from fifteen brilliant writers who explore how what we don t talk about with our mothers affects us for better or for worse as an undergraduate michele filgate started writing an essay about being abused by her stepfather it took her more than a decade to realize that she was actually trying to write about how this affected her relationship with her mother when it was finally published the essay went viral shared on social media by anne lamott rebecca solnit and many others this gave filgate an idea and the resulting anthology offers a candid look at our relationships with our mothers leslie jamison writes about trying to discover who her seemingly perfect mother was before ever becoming a mom in cathi hanauer s hilarious piece she finally gets a chance to have a conversation with her mother that isn t interrupted by her domineering but lovable father andré aciman writes about what it was like to have a deaf mother melissa febos uses mythology as a lens to look at her close knit relationship with her psychotherapist mother and julianna baggott talks about having a

mom who tells her everything as filgate writes our mothers are our first homes and that s why we re always trying to return to them there s relief in acknowledging how what we couldn t say for so long is a way to heal our relationships with others and perhaps most important with ourselves contributions by cathi hanauer melissa febos alexander chee dylan landis bernice l mcfadden julianna baggott lynn steger strong kiese laymon carmen maria machado andré aciman sari botton nayomi munaweera brandon taylor and leslie jamison

kristine mckenna s work as a journalist began in the late 1970s when she covered the los angeles punk scene for various domestic and international publications during the 80s and 90s she wrote art film and music criticism and profiled directors musicians and visual artists for a variety of publications including artforum playboy rolling stone the los angeles times and new york rocker talk to her is mckenna s second collection the first was 1999 s book of changes of favorite interviews culled from mckenna s files and the book reveal s mckenna s highly intimate technique as an interviewer that she manages to get such candor out of her subjects is remarkable the stunning list of interview subjects includes filmmaker robert altman jackie onassis s cousin edie beale punk rocker and poet exene cervenka the musician elvis costello surf guitar legend dick dale the postmodern critic jacques derrida beat poet allen ginsberg television s richard hell and tom verlaine art curator walter hopps pretenders frontwoman chrissie hynde country music legend rickie lee jones the sex pistols john lydon a k a johnny rotten singer and songwriter joni mitchell the rabbi jonathan omer man punk rock legend joey ramone new york rock legend lou reed the actress eva marie saint and the recently departed joe strummer of the clash also included are brief oral histories of andy warhol and orson welles

this story mother s manners is about how i acquired nice manners from my parents especially from my mother these are the same manners i have taught my children and students this story depicts the value and importance of acquiring social etiquette from experience and practice on a daily basis you will learn cell phone etiquette social introduction dining dos and don ts guidelines for dressing appropriately ways to practice good posture and the importance of eye contact while talking to others people who practice having nice manners will gain confidence and self esteem the knowledge you gain from mother s manners is character building which will help you become a role model in order to pass proper manners unto others especially your children mother s manners will show you how a young southern girl changed her life for the better by practicing proper manners hopefully you will want to learn this too

candid and intimate accounts of the factory worker tragedy that shaped american labor rights on march 25 1911 a fire broke out on the eighth floor of the asch building in greenwich village new york the top three floors housed the triangle waist company a factory where approximately 500 workers mostly young immigrant women and girls labored to produce fashionable cotton blouses known as waists the fire killed 146 workers in a mere 15 minutes but pierced the perpetual conscience of citizens everywhere the tragedy of the fire and the resulting movements for change were pivotal in shaping workers rights and unions this book is a collection of stories from writers artists activists scholars and family members of the triangle workers nineteen contributors offer a collective testimony a written memorial to the triangle victims

a stanford university press classic

this volume presents 16 original studies of variation in languages representing the three main european language families as well as in varieties of greek and hungarian the studies concern variation in or across dialects or dialect groups in standard varieties or in emerging regional varieties of the standard several studies investigate a specific linguistic element or structure while others focus on areas of tension between variation and prescriptive standard norms on regional standard varieties and regiolects on problems of linguistic classification from folk linguistic or dialect geographical perspectives and the classification of speakers language acquisition plays a main role in three studies the studies in this volume represent a range of methods including ethnographic and interpretative approaches conversation analysis analyses of the internal and geographical distribution of dialect features the classification and quantitative analyses of socio demographic speaker background data quantitative analyses of both diachronic and synchronic language data phonetic measurements as well as quasi experimental perception studies the volume thus offers a microcosmic reflection of the macrocosmos of world wide research on variability in originally european languages at the beginning of the 21th century and the linguistic expression of cultural diversity

infant observation carried out within the family is a compelling approach to the study of early human development vividly revealing the impact of intergenerational patterns of child rearing and the complex relationship between nature and nurture it provides unique insights into the early origins of emotional disturbance and suggests ways in which healthy development can be promoted by both professional and parent often resulting in changes to clinical practice developments in infant observation the tavistock model is a collection of twelve key papers from international contributors it offers an overview of current practice explores the new concepts that have arisen from direct observation and shows how the findings from observation are being applied in the research setting an essential text for child psychotherapists in training and practice this is a book that brings alive the academic theories of child development through thought provoking and stimulating case studies which will be of interest to any professional working with children

tavistock press was established as a co operative venture between the tavistock institute and routledge kegan paul rkp in the 1950s to produce a series of major contributions across the social sciences this volume is part of a 2001 reissue of a selection of those important works which have since gone out of print or are difficult to locate published by routledge 112 volumes in total are being brought together under the name the international behavioural and social sciences library classics from the tavistock press reproduced here in facsimile this volume was originally published in 1960 and is available individually the collection is also available in a number of themed mini sets of between 5 and 13 volumes or as a complete collection

a jungian psychologist explores what we can learn about women and men from the feminine archetypes symbols and themes found in fairy tales in this engaging commentary the distinguished analyst and author marie louise von franz shows how the feminine reveals itself in fairy tales of german russian scandinavian and eskimo origin including familiar stories such as sleeping beauty snow white and rose red and rumpelstiltskin some tales she points out offer insights into the psychology of women while others reflect the problems and characteristics of the anima the inner femininity of men drawing upon her extensive knowledge of jungian psychology dr von franz discusses the archetypes and symbolic themes that appear in fairy tales as well as dreams and fantasies draws practical advice from the tales and demonstrates its application in case studies from her analytical practice

toward me and slammed his fists into the window slit that was next to the door i want to break this fucking window james hollered my heart was racing and i just stood there walk through a day in the lives of a sixth grade special education teacher and a few students who have many different needs what happens to one of the middle school students stevie and who is to blame is every student safe is what you are reading the full story witness through the eyes of mrs smith and the anxiety that follows her at all the students behaviors are the kids really this challenging or is there something that is causing this behavior will mrs smith continue to try to have a child of her own when she knows the dangers that are lurking in this world

drowning in a mother s womb approaches the story of a tumultuous childhood of a young girl in her own words emotions and feelings as she relives the horrific incidents of violent abuse you will empathize with her every struggle and hang on her every word spoken in the language and culture of her experience the most vital messages from her story are that regardless of the circumstances and situations that this young girl faced having lived a most colorful life by the age of 13 she found herself drowning in her own resentment for a mother who never felt any remorse for her negligent parenting therefore the girl continued to press toward her future grasping at any and every place for help when she least expected it her broken spirit gave way to what felt like the walls of her mind closing in on her and she found herself in the psychiatric ward of a local hospital ciara allows the reader to identify with a child s need to be nurtured and supported even when the nurturer remains absent and unsupportive

talking to the mirror is poetry collection in english and persian by mr amir marashi

have you ever looked at those mothers who seem to be perfect with sweet little children a full time job a beautiful home and thought am i not good enough but even the most perfect mothers can be hiding deadly secrets behind closed doors ava green has a successful job two gorgeous children and a husband who makes other women blush but now i m working in her immaculate home i know not everything is so perfect i hear the hissed arguments late at night finn takes phone calls at strange times and when i talk to the children it s clear that their daddy is keeping secrets now i know what s hiding in this house i m just glad ava didn t check my references too carefully because ava thinks she chose me but i chose her even before she hired me i made sure i knew about all the little secrets in this family and by the time they figure out why i m really here it will be far too late a completely addictive psychological thriller that will have you gasping at the final twist fans of shari lapena lisa jewell and the perfect marriage will be reading late into the night this book was previously published as the assistant read what everyone s saying about not a good enough mother omg this was such an amazing book so gripping it was hard for me to keep it down the ending was literally mind blowing goodreads reviewer what a book i was hooked extremely gripping i literally couldn t put this down jessica s book biz caught my attention immediately and had me hooked until the very last page i thought i knew where this book was going man oh man was i surprised absolutely gripping will have you glued to the pages you will inhale this book and forget all your responsibilities i couldn t finish this book fast enough goodreads reviewer wow what a story absolutely loved everything about this book goodreads reviewer loved it was such a roller coaster for me and left me speechless blue moon blogger wow i was completely hooked from start to finish every chapter left me hanging i just couldn t stop myself from reading more i devoured the whole book in two sittings even though i m exhausted today it was totally worth it my heart was racing the entire time the ending was mind blowing incredible twist i honestly can t remember the last time a book left me so stunned goodreads reviewer you won t be able to put this down the end comes and slaps you across the face wow wow wow wish i

could give more stars amazing book goodreads reviewer loved i flew through the chapters hard to put down must read goodreads reviewer i was absolutely blown away and did not see that twist coming i devoured it in one sitting goodreads reviewer wowza totally grabbed me absolutely loved goodreads reviewer i read this in under 12 hours omg that ending goodreads reviewer wow i couldn't put it down and it kept me reading way into the night goodreads reviewer
