shows that micromanagement can be objectively identified and successfully resisted both by those who inflict it and by those who are its victims this book describes five defining traits of micromanagers including placing their own self interest above everything else controlling and manipulating time and requiring elaborate approval processes

in developing background material for a corporate training session on avoiding the traps of micromanagement i found zero publications on this specific topic a key word search of various internet engines yielded over twenty five thousand hits on micromanagement there were many articles and references yet no publications obviously it is an important topic of interest but no one has given it formal definition or delved into corrective strategies this book defines micromanagement separates illusion from reality offers diagnostic

tools and identifies corrections it is intended to offer structure to the discussion

are always good people doing good things and bad people doing bad things what is organizational blindness and how do you protect it in this book you will learn how good people do bad things even without recognizing it pressures in the aviation environment are explained real life case studies are discussed and the reader of the book is expected to have certain knowledge about the forces in organizations and a basic understanding of the aviation domain aviation sms safety management systems is the formal top down organization wide approach to managing safety risk and ensuring the effectiveness of safety risk controls an aviation safety manager is required to understand these forces and organizations are expected to realize their own blindness and manage these associated risks

this book supplies a simple memorable and effective formula to solve problematic behaviors in the work environment and life in general an invaluable guidebook it will help readers move beyond mediocrity and achieve happier more successful lives the work life equation six key values that drive happiness and success is for the millions of people and business managers who are surrounded by bad behavior with its attendant mediocre or unsatisfying results at work and in their private lives but who hope and dream for happier and more successful lives the book begins with a frank explanation of the need for self awareness and self improvement then describes how the winning formula and the equation for happiness and success in work life h s f 4c 2r can be applied via six types of behaviors to effect sweeping changes the formula means happiness and success can be achieved by is a function of cooperation consideration compassion courtesy respect and responsibility the book focuses not just on the meaning of these values but also on how to better live them it concludes with a self assessment tool for the individual team or organization to complete that enables objective measurements of behaviors and identification of areas of potential improvement dismissing the familiar corporate value clichés the author focuses on six key values most readers probably learned as kids but have forgotten about in adulthood or didn t realize were still apt and relevant the book provides priceless information and guidance for all readers but will be especially appreciated by those in the corporate workplace interested in self improvement and success educators and business students executives looking to shift their firm s behavioral atmosphere in a positive direction and individuals seeking inspiration and hope in their daily lives

want to get those difficult colleagues off your back and restore your sanity nyu psychology professor tessa west shows you how have you ever watched a colleague charm the pants off management while showing a competitive machiavellian side to the lower ranks they don t hesitate to throw peers under the bus but their boss is oblivious to their bad behaviour what about a constantly interrupting colleague or an over bearing manager while these jerks stress us out in small ways throughout the day they aren t technically breaking any rules so we re expected just to put up with them until now tessa west has already helped thousands of people resolve their most pressing workplace issues and here she draws on a decade of original research to profile classic workplace archetypes including the gaslighter the bulldozer the credit stealer the neglecter and the micromanager giving advice to anyone who s ever hidden in the bathroom to cry at work she digs deep into the inner workings of each bad apple exploring their motivations and insecurities and offers clever strategies for stopping each type of jerk in their tracks know a jerk at work this proactive approach reveals the single most effective way to achieve emotional

wellbeing at work

equity from the boardroom to the classroom discusses the need for districts to become professional learning organizations plos which links the board s role to professional learning communities in order to promote equity it is vital that school boards build a culture in which all stakeholders contribute individually and collectively to accomplish district objectives to foster a collaborative culture boards must display thermostat leadership as opposed to thermometer leadership thermostat leadership is practiced when the board is actively involved in setting maintaining or adjusting district culture in order to ensure alignment with district priorities which plos promote comparatively thermometer leadership is used when a board governs by a laissez faire approach and seeks to mandate a specificculture without becomingly actively involved the latter approach enable boards to be misinformed about its strategic initiatives research is clear no school reform aimed at improving student learning will be successful without strong leadership and support from the school board plos are a must for districts that desire to build a positive culture and seek to increase student achievement by way of a systemic process grounded in collaboration without leadership support and collaboration led by the school board it is doubtful that any school reform will be successful regardless of how effective the reform may appear to be

no one likes micromanagers they are petty dictators they constantly interfere with their employees they waste everyone s time they hurt morale they reduce productivity they make staffers lives hellish the problem is micromanagers exist in almost every office nearly eight out of 10 employees report that they work for micromanagers or have in the past despite its near universal prevalence few executives managers or supervisors acknowledge micromanagement as a personal failing harry e chambers discusses why micromanagement occurs he teaches you how to deal with a micromanager whether you work for that person or he or she works for you and he explains how to eliminate your own micromanagement tendencies getabstract applauds chambers for his thoughtful treatise on a common and odious problem particularly note his recommended tactics for dealing with a micromanager s outbursts proactively before they occur it s like making sure dynamite doesn t explode by never connecting the fuse

the congressional record is the official record of the proceedings and debates of the united states congress it is published daily when congress is in session the congressional record began publication in 1873 debates for sessions prior to 1873 are recorded in the debates and proceedings in the congress of the united states 1789 1824 the register of debates in congress 1824 1837 and the congressional globe 1833 1873

brian kelly s year long journey through the thorny underbrush of congress to solve the riddle of waste in government spending
