explorers evolutionists eugenicists sexologists and high school biology teachers all have contributed to the prominence of the biological sciences in american life in this book philip pauly weaves their stories together into a fascinating history of biology in america over the last two hundred years beginning with the return of the lewis and clark expedition in 1806 botanists and zoologists identified science with national culture linking their work to continental imperialism and the creation of an industrial republic pauly examines this nineteenth century movement in local scientific communities with national reach the partnership of asa gray and louis agassiz at harvard university the excitement of work at the smithsonian institution and the geological survey and disputes at the agriculture department over the continent s future he then describes the establishment of biology as an academic discipline in the late nineteenth century and the retreat of life scientists from the problems of american nature the early twentieth century however witnessed a new burst of public oriented activity among biologists here pauly chronicles such topics as the introduction of biology into high school curricula the efforts of eugenicists to alter the breeding of americans and the influence of sexual biology on americans most private lives throughout much of american history pauly argues life scientists linked their study of nature with a desire to culture to use intelligence and craft to improve american plants animals and humans they often disagreed and frequently overreached but

they sought to build a nation whose people would be prosperous humane secular and liberal life scientists were significant participants in efforts to realize what progressive era oracle herbert croly called the promise of american life pauly tells their story in its entirety and explains why now in a society that is rapidly returning to a complex ethnic mix similar to the one that existed for a hundred years prior to the cold war it is important to reconnect with the progressive creators of american secular culture

reproduction of the original the antigonos publishing house specialises in the publication of reprints of historical books we make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

dekalb county georgia is much more than just another of the suburban areas around the city of atlanta african americans have long lived worked played and worshiped in the area in african american life in dekalb county 1823 1970 herman skip mason jr author professor and historian has compiled a lovingly crafted look at the county s rich african american heritage with images from the georgia department of archives and history the dekalb historical society and his own extensive archives mason couples fascinating images with illuminating text to create a unique look at the area and its people within these pages discover little known facts about the county s past residents including bukumbo the young girl who was brought from africa to decatur to serve as a nurse who quickly became a beloved member of the family and died only a short while later learn about the great impact that the clark and oliver families had on decatur and view famous sections and landmarks of the county including lithonia ellenwood stone mountain doraville tucker chamblee clarkston lynwood park scottsdale and south dekalb

joseph papp 1921 1991 theater producer champion of human rights and of the first amendment founder of the new york shakespeare festival and public theater changed the american cultural landscape born yussel papirofsky in williamsburg brooklyn he discovered shakespeare in public school and first produced a show on an aircraft carrier during world war ii after a stint at the actors lab in hollywood he moved to new york where he worked as a cbs stage manager during the golden age of television he fought parks commissioner robert moses as well as mayors wagner lindsay beame and koch winning first the right to stage free shakespeare in new york s central park then municipal funding to keep it going he built the delacorte theater and later rebuilt the former astor library on lafayette street transforming it into the public theater in addition to helping create an american style of shakespeare papp pioneered colorblind casting and theater as a not for profit institution he showcased playwrights david rabe elizabeth swados ntozake shange david hare wallace shawn john guare and vaclav havel directors michael bennett wilford leach and james lapine actors al pacino colleen dewhurst george c scott james earl jones meryl streep kevin kline sam waterston and denzel washington and produced hair sticks and bones for colored girls the normal heart and a chorus line the longest running musical in broadway history this first biography of the late joseph papp will be a hard act to follow booklist the final portrait that emerges might have been jointly painted by goya whistler and francis bacon benedict nightingale front page new york times sunday book review playwright tony kushner called papp one of the very few heroes this tawdry timid business has produced and the book a nourishing and juicy biography helen epstein recounts papp s career in this definitive meticulously researched and highly readable biography it is

a tribute to epstein s narrative skill that the detailed account of papp s decline and eventual defeat by cancer reads as both riveting and horrifying ellen schiff all about jewish theatre oklahoma born paul davis created 51 iconic posters for joseph papp starting in 1975 with the new york shakespeare festival production of hamlet starring sam waterston it was inspiring to work with joe says davis we would discuss what he wanted to achieve in a production and he trusted me to find a way to express it and he respected the poster as its own dramatic form the artist s work has been exhibited in the u s europe and japan he is a recipient of a special drama desk award created for his theater art davis was elected to the art directors club hall of fame and the society of illustrators hall of fame and is a fellow of the american academy in rome

america is at a pivotal crossroads the soul of our nation is at stake and in peril a new public narrative is needed to unite americans around common values and to counter the increasing discord and acrimony in our politics and culture the process of healing and creating a more perfect union in our nation must start now the moral vision of martin luther king jr s beloved community which animated and galvanized the civil rights movement of the 1950s and 1960s provides a hopeful way forward in a more perfect union adam russell taylor president of sojourners reimagines a contemporary version of the beloved community that will inspire and unite americans across generations geographic and class divides racial and gender differences faith traditions and ideological leanings in the beloved community neither privilege nor punishment is tied to race gender religion sexual orientation or economic status and everyone is able to realize their full potential and thrive building the beloved community requires living out a series of commitments such as true equality radical welcome transformational interdependence e pluribus unum out of many one environmental stewardship nonviolence and economic equity by building the beloved community we unify the country around a shared moral vision that transcends ideology and partisanship tapping into our most sacred civic and religious values enabling our nation to live up to its best ideals and realize a more perfect union

since 1940 captain america has battled his enemies in the name of american values and as those values have changed over time so has captain america s character because the comic book world fosters a close fan creator dialogue creators must consider their ever changing readership comic book artists must carefully balance storyline continuity with cultural relevance captain america s seventy year existence spans from world war ii through the cold war to the american war on terror beginning as a soldier unopposed to offensive attacks against foreign threats he later becomes known as a defender whose only weapon is his iconic shield in this way captain america reflects america s need to renegotiate its social contract and reinvent its national myths and cultural identity all the while telling stories proclaiming an eternal and unchanging spirit of america in captain america masculinity and violence stevens reveals how the comic book hero has evolved to maintain relevance to america s fluctuating ideas of masculinity patriotism and violence stevens outlines the history of captain america s adventures and places the unfolding storyline in dialogue with the comic book industry as well as america s varying political culture stevens shows that captain america represents the ultimate american story permanent enough to survive for nearly seventy years with a history fluid enough to be constantly reinterpreted to meet the needs of an ever changing culture

in this revolutionary self help guide two beloved native american wellness activists offer wisdom for achieving spiritual physical and emotional wellbeing rooted in indigenous ancestral knowledge when wellness teachers and husband wife duo chelsey luger and thosh collins founded their indigenous wellness initiative well for culture they extended an invitation to all to honor their whole self through native wellness philosophies and practices in reclaiming this ancient wisdom for health and wellbeing drawing from traditions spanning multiple tribes they developed the seven circles a holistic model for modern living rooted in timeless teachings from their ancestors luger and collins have introduced this universally adaptable template for living well to ivy league universities and corporations like nike adidas and google and now make it available to everyone in this wise guide the seven circles model comprises interconnected circles that keep all aspects of our lives in balance functioning in harmony with one another they are food movement sleep ceremony sacred space land community in the seven circles luger and collins share intimate stories from their life journeys growing up in tribal communities from the indigenous tradition of staying active and spiritually centered through running and dance to the universal indigenous emphasis on a light filled minimalist home to create sacred space along the way luger and collins invite readers to both adapt these teachings to their lives as well as do so without appropriating and erasing the original context representing a critical new ethos for the wellness space each chapter closes with practical advice on how to engage with the teachings as well as wisdom for keeping that particular circle in harmony with the others with warmth and generosity and 75 atmospheric photographs by collins throughout the seven circles teaches us how to connect with nature with our community and with ourselves and to integrate ancient indigenous philosophies of health and wellbeing into our own lives to find healing and balance
