2020 center for biblical studies book award reference works this book introduces  
readers to a much neglected and misunderstood assortment of jewish writings from  
around the time of the new testament dispelling mistaken notions of falsely  
attributed writings that are commonly inferred from the designation  
pseudepigrapha daniel gurtner demonstrates the rich indebtedness these works  
exhibit to the traditions and scriptures of israel s past in surveying many of the most  
important works introducing the pseudepigrapha of second temple judaism shows  
how the pseudepigrapha are best appreciated in their own varied contexts rather  
than as mere background to early christianity or emerging rabbinic judaism
