amid the aristocratic ranks of the confederate cavalry nathan bedford forrest was untutored all but unlettered and regarded as no more than a guerrilla his tactic was the headlong charge mounted with such swiftness and ferocity that general sherman called him a devil who should be hunted down and killed if it costs 10 000 lives and bankrupts the treasury and in a war in which officers prided themselves on their decorum forrest habitually issued surrender or die ultimatums to the enemy and often intimidated his own superiors after being in command at the notorious fort pillow massacre he went on to haunt the south as the first grand wizard of the ku klux klan now this epic figure is restored to human dimensions in an exemplary biography that puts both forrest s genius and his savagery into the context of his time chronicling his rise from frontiersman to slave trader private to lieutenant general klansman to eventually new south businessman and racial moderate unflinching in its analysis and with extensive new research nathan

bedford forrest is an invaluable and immensely readable addition to the literature of the civil war

this is the best biography of one of the most exciting colorful and controversial figures of the civil war a renowned cavalryman nathan bedford forrest perfected a ruthless hit and run guerrilla warfare that terrified union soldiers and garnered the respect of warriors like william sherman who described his adversary as that devil forrest the most remarkable man our civil war produced on either side historian bruce catton rated forrest one of the authentic military geniuses of the whole war but brian steel wills covers much more than the cavalryman s incredible feats on the field of battle he also provides the most thoughtful and complete analysis of forrest s hardscrabble childhood in backwater mississippi his rise to wealth in the memphis slave trade his role in the infamous fort pillow massacre of black union soldiers his role as early leader and grand wizard of the first ku klux klan and his declining health and premature death in a reconstructing america

revered by some loathed by others nathan bedford forrest has long been considered one of the greatest soldiers of the american civil war responsible for his family at a young age he quickly developed traits self reliance decisiveness and assertiveness that would later make him famous in business the uneducated forrest quickly made a fortune in various endeavors including the slave trade when the civil war began forrest became an adept recruiter and leader despite his lack of training in military science his cavalrymen became famous for the forced marches deception and audacious battlefield maneuvers they used to defeat forces that often outnumbered them in 1864 forrest gained notoriety for his participation in the battle for fort pillow tennessee in a controversy that persists today the high casualty rate among african american troops who surrendered there led to charges that forrest s men had perpetrated a racially motivated massacre after the war forrest became the first grand wizard of the ku klux klan while promoting reconciliation between north and south amid the chaos of reconstruction jacket

confederate general nathan bedford forrest renowned military genius is accurately portrayed in this comprehensive volume a brilliant fearless military commander forrest was best known for his daring battlefield exploits quick temper and keen intellect

nathan bedford forrest is best known for his role as a confederate officer in the american war for southern independence while most forrest biographies discuss his military career in great detail what they do not provide is the general s own perspective of the conflict in his one of a kind book give em hell boys forrest scholar forrest relation southern historian and award winning author lochlainn seabrook handily remedies this situation neatly divided into five sections for each year of lincoln s war as the subtitle indicates the book encompasses all of the general s military correspondence from 1861 to 1865 in the 300 fascinating footnoted entries included we find forrest s reports dispatches orders returns letters notes communiques and telegrams as he himself wrote or dictated them usually from the battlefield his missives were sent out to a wide assortment of civil war figures from the president of the confederacy jefferson davis and fellow confederate officers to his yankee enemies most of the communications with the latter which ended with unsurprising results immediate surrender through forrest s own words we are able to track not only the progress of the war but his rise from private to lieutenant general one rank shy of full general the only man on either side to achieve such a feat included along with a bibliography and an index are such extras as a historical time line of the

highlights of forrest s life a list of all of his engagements and a section on his recognition by the confederate congress like the author s numerous other works on forrest give em hell boys named after one of his most famous war cries will help destroy the many anti south myths surrounding the general giving him back his rightful place as a lauded american patriot and southern icon learn about both forrest the man and the rebel officer from the great confederate chieftain himself in this captivating read that is already well on its way to becoming a standard in civil war literature civil war scholar lochlainn seabrook a descendant of the families of alexander h stephens and john s mosby is the most prolific and popular pro south writer in the world today known as the new shelby foote he is a recipient of the prestigious jefferson davis historical gold medal and the author of over 45 books a seventh generation kentuckian of appalachian heritage and the sixth great grandson of the earl of oxford mr seabrook has a forty year background in american and southern history and is the author of the runaway bestseller everything you were taught about the civil war is wrong ask a southerner his other works include the great yankee coverup what the north doesn t want you to know about lincoln s war confederate flag facts what every american should know about dixie s southern cross confederacy 101 amazing facts you never knew about america s oldest political tradition and everything you were taught about american slavery is wrong ask a southerner

this biography of the confederacy s greatest cavalry leaders is considered by many to be the best southern classics series

this civil war biography sheds new light on the life of the legendary confederate general before during and after the conflict that defined his legacy shelby foote called nathan bedford forrest one of the most authentic geniuses produced by the american civil war and ulysses s grant said that forrest was the only confederate cavalry leader he feared sherman wanted him killed even if doing so broke the federal treasury and cost ten thousand lives arguably the best cavalry leader of the civil war and undoubtedly one of the greatest in the history of mounted warfare nathan bedford forrest has been acclaimed and vilified revered and hated and still he is a man whose life defies categorization this in depth biography goes beyond forrest s war exploits here historians eddy w davison and daniel foxx depict a man as complex brilliant revolutionary and tragic as the times in which he lived in addition to revealing details about his childhood marriage and life as a businessman and civic leader this comprehensive biography explains the alleged massacre at fort pillow tennessee and the reasons for forrest s leadership in the ku klux klan

the battlefield reputation of confederate general nathan bedford forrest long recognized as a formidable warrior has been shaped by one infamous wartime incident at fort pillow in 1864 the attack by confederate forces under forrest s command left many of the tennessee unionists and black soldiers garrisoned there dead in a confrontation widely labeled as a massacre in the river was dyed with blood best selling forrest biographer brian steel wills argues that although atrocities did occur after the fall of the fort forrest did not order or intend a systematic execution of its defenders rather the general s great failing was losing control of his troops a prewar slave trader and owner forrest was a controversial figure throughout his lifetime because the attack on fort pillow which as forrest wrote left the nearby waters dyed with blood occurred in an election year republicans used him as a convenient confederate scapegoat to marshal support for the war after the war he also became closely associated with the spread of the ku klux klan consequently the man himself and the truth about fort pillow has remained buried beneath myths legends popular depictions and disputes about the events themselves wills sets what took place at fort pillow in the context of other wartime excesses from the american revolution to world war ii and vietnam as well as the cultural transformations

brought on by the civil war confederates viewed black union soldiers as the embodiment of slave rebellion and reacted accordingly nevertheless wills concludes that the engagement was neither a massacre carried out deliberately by forrest as charged by a congressional committee nor solely a northern fabrication meant to discredit him and the confederate states of america as pro southern apologists have suggested the battle scarred fighter with his homespun aphorisms was neither an infallible warrior nor a heartless butcher but a product of his time and his heritage

nathan bedford forrest remains one of the most electrifying and controversial figures in american military history in life of general nathan bedford forrest john allan wyeth a physician civil war veteran and former confederate soldier offers an intimate and deeply researched portrait of a man revered for his daring and feared for his ruthlessness wyeth s vivid prose captures forrest s unparalleled mastery of cavalry tactics his meteoric rise from private to general without formal military training and his ability to inspire fierce loyalty among his troops yet wyeth does not shy away from forrest s darker legacy including his involvement with the ku klux klan through detailed battle accounts personal anecdotes and contextual analysis wyeth presents forrest as a complex character a military genius whose reputation straddles the line between heroism and infamy this engaging biography is indispensable for readers seeking to understand the civil war s human dimensions and the tumultuous currents of southern history a compelling exploration of courage controversy and the enduring impact of leadership

a book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country

a balanced perspective that contains previously unknown information includes unsavory aspects such as the fort pillow massacre of black federal troops his post war founding of the kkk

an insightful exploration of the relentless myth of the famous civil war general this volume scrutinizes the collective public memory of nathan bedford forrest as it has evolved through the press memoirs biographies and popular culture

was confederate general nathan bedford forrest the villain portrayed by liberals he was the opposite read the god of war by forrest scholar lochlainn seabrook a collection of some 200 reminiscences by people who knew him learn the truth about one of america s greatest conservatives patriots heroes
