this collection of essays presents a contextual view of genocide the authors who are academic authorities and practitioners in the field explore the legal treatment but also the social and political concepts and historical dimensions of the crime they also suggest alternative justice solutions to the phenomenon of genocide divided into five parts the first section offers an historical perspective of genocide the second consists of case studies examining recent atrocities the third section examines differences between legal and social concepts of genocide part four discusses the treatment of genocide in courts and tribunals throughout the world the final section covers alternatives to trial

justice and questions of prevention and sentencing

a new edition of the best known book critiquing the u s electoral college in this third edition of the definitive book on the unique system by which americans choose a president and why that system should be changed george edwards includes a new chapter focusing on the 2016 election as the u s hurtles toward yet another election in which the popular vote loser may become president edwards s book is essential reading it clearly and methodically punctures myths about the electoral college s benefits richard l hasen author of the voting wars supported by both history and data george edwards convincingly argues the electoral college is anti democratic anti equality and anti common sense we should dismantle it and soon kent greenfield author of corporations are people too and they should act like it

the word medieval is often used in a negative way when talking about contemporary issues why the middle ages matter refreshes our thinking about this historical era and our own by looking at some pressing concerns from today s world asking how these issues were really handled in the medieval period and showing why the past matters now the contributors here cover topics such as torture marriage sexuality imprisonment refugees poverty work the status of women disability race political leadership and end of life care they focus on a variety of regions from north africa and the middle east through western and central europe to the british isles this collection challenges many negative stereotypes of medieval people revealing a world from which for instance much could be learned about looking after the spiritual needs of the dying and about integrating prisoners into the wider community through an emphasis on reconciliation between victim and criminal it represents a new level of engagement with issues of social justice by medievalists and provides a highly engaging way into studying the middle ages all the essays are written so as to be accessible to students and each is accompanied by a list of further readings

tales featuring anthropomorphic animals have been around as long as there have been storytellers to spin them from aesop s fables to reynard the fox to alice in wonderland the genre really took off following the explosion of furry fandom in the 21st century with talking animals featuring in everything from science fiction to fantasy to lgbtq coming out stories in his lifetime fred patten 1940 2018 one of the founders of furry fandom and a scholar of anthropomorphic animal literature authored hundreds of book reviews that comprise a comprehensive critical survey of the genre this selected compilation provides an overview from 1784 through the 2010s covering such popular novels as watership down and redwall along with forgotten gems like the stray lamb and where the blue begins and science fiction works like sundiver and decision at doona

they were foot soldiers and officers they served in the regular army and the waffen ss and remarkably they were also jewish at least as defined by hitler s infamous race laws pursuing the thread he first unraveled in hitler s jewish soldiers bryan rigg takes a closer look at the experiences of wehrmacht soldiers who were classified as jewish in this long awaited companion volume he presents interviews with twenty one of these men whose stories are both fascinating and disturbing as many as 150 000 jews and partial jews or mischlinge served often with distinction in the german military during world war ii the men interviewed for this volume portray a wide range of experiences some came from military families some had been raised christian revealing in vivid detail how they fought for a government that robbed them of their rights and sent their relatives to extermination camps yet most continued to serve since resistance would have cost them their lives and they mistakenly hoped that by their service they could protect themselves and their families the interviews recount the nature and extent of their dilemma the divided loyalties under which many toiled during the nazi years and afterward and their sobering reflections on religion and the holocaust including what they knew about it at the time rigg relates each individual s experiences following the establishment of hitler s race laws shifting between vivid scenes of combat and the increasingly threatening situation on the home front for these men and their family members their stories reveal the constant tension in their lives how some tried to hide their identities and how a few were even aryanized as part of hitler s effort to retain reliable soldiers including field marshal erhard milch three star general helmut wilberg and naval commander bernhard rogge chilling compelling almost beyond belief these stories depict crises of conscience under the most stressful circumstances lives of hitler s jewish soldiers deepens our understanding of the complex intersection of nazi race laws and german military service both before and during world war ii

during my early years i thought intuition was how i knew things would come about until one day i began to hear his strong voice he warned me of life altering events that would occur in life we expect to have trials to learn from and pain is a form of that i could not understand why my life consisted of constant pain physically emotionally and even the most horrible tragic pain ever despite living this life i enjoyed raising my three beautiful daughters they were very different my oldest was the studious one my youngest was very independent and my middle daughter was very loving and emotional as they grew and became teenagers my middle daughter brandi would begin her life of living my pain this was the beginning of her life of destruction she was living in a secret world through all these painful trials god was always there for us you will be amazed by his miracles as he lived in our lives every day god told me to write this book so you can see beyond our life of pain you will be astounded by the blessings given during my darkest hours and get a glimpse through his vision god loves us so much and shares our deep grief you are blessed with his ultimate love he sacrificed his son for us

broadens the scope and meaning of american indian political activism by focusing on the movement s early and largely neglected struggles revealing how early activists exploited cold war tensions in ways that brought national attention to their issues

complete listing and history of murals in kansas today with each mural illustrated

focuses on the recent enemy combatant cases to provide a stern critique of the legal and constitutional basis for the enormous expansion of presidential power during the bush administration s war on terror and the challenges especially in the supreme court that such expansion has inspired

examines the development of michael moore s ideas and the evolution of his filmmaking then dissects fahrenheit 9 11 and explores the many claims and disagreements about the movie s truthfulness this study shows that michael moore s film did more than shake up a nation

a highly critical but nonpartisan assessment of the controversial former defense secretary as told by one of the leading experts on civil military relations focuses on rumsfeld s notoriously domineering leadership style flawed vision for transforming the military and failures in the iraq war

a chilling account of the tradeoff we are willing to make between interactive media technologies and the power of others to watch over and control us this brave new world of electronic marketing and consumption actually lulls consumers into blissful ignorance of how that usage can be and is being monitored

b t local 12 13 2003 15 95

the compelling real life story of the criminal investigation indictment and trial of edgar ray killen the preacher and former ku klux klansman finally convicted in june 2005 for the deaths of three civil rights workers forty one years after their brutal murders a stunning final chapter to the case immortalized in the movie mississippi burning
