this account of how serial killers impact society is a compelling examination of the media phenomenon of the celebrity criminal in american culture joyce carol oates jeffrey dahmer ted bundy john wayne gacy serial killers have become iconic figures in america the subject of made for tv movies and mass market paperbacks alike but why do we find such luridly transgressive and horrific individuals so fascinating what compels us to look more closely at these figures when we really want to look away natural born celebrities considers how serial killers have become lionized in american culture and explores the consequences of their fame david schmid provides a historical account of how serial killers became famous and how that fame has been

used in popular media and the corridors of the fbi alike ranging from h h holmes whose killing spree during the 1893 chicago world s fair inspired the devil in the white city right up to aileen wuornos the lesbian prostitute whose vicious murder of seven men would serve as the basis for the hit film monster schmid unveils a new understanding of serial killers by emphasizing both the social dimensions of their crimes and their susceptibility to multiple interpretations and uses he also explores why serial killers have become endemic in popular culture from their depiction in film and tv to their becoming the stuff of trading cards and even sites where you can buy their hair and nail clippings persuasively argued meticulously researched it is highly readable as well joyce carol oates

with nearly 200 victims between them the seven compulsive killers in serial killer quarterly s special christmas 2014 issue body harvest prolific american serial killers not only destroyed countless lives and families but thanksgivings christmas and new year s author and criminologist judith a yates attributes a minimum of 20 victims to america s first serial killers micajah wiley harpe who rather than bringing peace on earth and good will to all men sought to exterminate the entire human race similarly whenever ted bundy went walking in a winter wonderland it was in the snowy mountains of washington or colorado landscapes strewn with the ravaged corpses of his 30 female victims kevin m sullivan author bundy researcher and retired preacher looks at arguably the most infamous serial slayer in american history and his victims known and potential in her true crime debut forensic psychologist joan swart goes above and beyond to tell us the tale of america s most prolific homosexual sadist with possibly a higher body count than bundy and the harpes combined randy kraft may have actually rung in the new year by torturing killing and mutilating several of the over 60 young men whose lives he appears to have extinguished lee mellor author criminologist and skq editor in chief writes of the 22 strangulation slayings and post mortem rapes perpetrated across the usa and in canada by gorilla murderer earle leonard nelson during the mid 1920s as well as 10 cold blooded murders linked to coin shop killer charles t sinclair throughout the eighties spokane prostitute killer robert lee yates another necrophile has admitted to shooting 16 victims and defiling their bodies but author and journalist karen d scioscia asks were there more are you full of holiday cheer yet well at least we know that christmas was truly a time for family in the bender household even if their feasts were purchased with the money they stole from the people rotting under their floorboards dane ladwig looks at the more than 20 hammer murders believed to have been committed by the bloody benders in the mid nineteenth century cuddle up with a nice piping mug of hot chocolate because after reading body harvest there isn t a blanket in the world that will stop you from getting the chills tis the season to be grinning

in the annals of crime the sinister figures known as serial killers cast a long chilling shadow from the infamous to the lesser known the dark legacy unveiling the top 10 serial killers of the united states delves into the author s behavioral analysis of the killer s twisted minds and macabre deeds of history s most notorious serial rapists and serial murderers within these pages you ll encounter ted bundy s meticulous planning john wayne gacy s enigmatic charisma and samuel little s haunting legacy but beyond the headlines this book uncovers the stories of lesser known killers whose crimes are no less shocking with meticulous research and gripping storytelling the dark legacy unveiling the top 10 serial killers of the united states comprehensively explores the darkest corners of the human psyche illustrated through a first ever behavioral analysis from their childhood traumas to their gruesome methods each killer s tale is dissected with chilling detail shedding light on the factors that drove them to commit their heinous acts prepare to delve into the minds of monsters as you journey through the pages of the dark legacy unveiling the top 10 serial killers of the united states but beware for in these stories of horror and madness the line between

fascination and fear becomes disturbingly thin

presents practical health advice for men covering diet and exercise supplements alcohol stress control men's diseases and disorders and the health care system

killer data examines the phenomenon of serial murder using data collected from international sources to review offender patterning with a focus on contemporary cases this type of attention will allow for a broader understanding of modern day serial murderers and will help to dispel some of the myths that surround offenders the current serial murder classification scheme incorrectly types serial murderers as supremely intelligent killing machines while discounting their socialization experiences and choices this book exposes serial murderers as run of the mill hometown losers who brutalize women and are lucky to escape apprehension like other atypical homicide offenders modern day serial murderers are propelled forward by a deep sense of entitlement easy access to firearms and a nonchalant attitude toward using murder to attain their goals readers should come away with a deeper understanding not of the ultra rare or the deadliest serial murderers but of the more common offenders who pose a consistent threat to day to day life the book utilizes the consolidated serial homicide offender database one of the largest and most robust open access databases of multiple murders available presenting new thinking on areas such as myths and stereotypes the impact of entertainment on the perception of serial murder inaccurate prevalence estimates spree serial hybrid offenders the classification of two and three victim serial murderers how serial murderers pursue longevity the characteristics of aspiring serial murderers whether hit men and gang members are serial murderers if and why serial murder is in a state of decline how many serial murderers are responsible for the homicides that sent innocent people to prison luck as a factor of success for serial murderers these findings are illustrated with 200 narrative vignettes of serial murder series that occurred between 2011 and 2021 such as itzcoatl ocampo charles severance nikko jenkins and pamela hupp offenders who may be unfamiliar to many but represent the next iteration of the serial murderer correcting decades of flawed assumptions about serial murderers and written in an accessible and concise style killer data is essential reading for students and scholars of criminal justice and criminology law enforcement professionals and the interested general reader

bestselling true crime writer harold schechter a leading authority on serial killers and coauthor david everitt offer a guided tour through the bizarre and blood chilling world of serial murder through hundreds of detailed entries that span the entire spectrum the shocking crimes the infamous perpetrators and much more they examine all angles of a gruesome cultural phenomenon that grips our imagination from art both by and about serial killers to zeitgeist how killers past and present embody their times from groupies even the most sadistic killer can claim devoted fans to marriage the perfect domestic disguise for demented killers from homebodies psychos who slay in the comfort of their homes to plumbing how clogged drains have undone the most discreet killer the a to z encyclopedia of serial killers is the ultimate reference for anyone compelled by the personalities and pathologies behind the most disturbing of crimes

annual report of the bureau of ethnology to the secretary of the smithsonian institution

finalist for the 2022 cheiron book prize an organ of murder explores the origins of both popular and elite theories of criminality in the nineteenth century united states focusing in particular on the influence of phrenology in the united states phrenology shaped the production of medico legal knowledge around crime the treatment of the

criminal within prisons and in public discourse and sociocultural expectations about the causes of crime the criminal was phrenology s ideal research and demonstration subject and the courtroom and the prison were essential spaces for the staging of scientific expertise in particular phrenology constructed ways of looking as well as a language for identifying understanding and analyzing criminals and their actions this work traces the long lasting influence of phrenological visual culture and language in american culture law and medicine as well as the practical uses of phrenology in courts prisons and daily life

this book provides an examination of sexual criminality its nature characteristics dimensions and ramifications in american society the book is addressing both recognized and little known sex crimes the magnitude of such crimes sex offenders and victims theories on sexual criminality and sex criminals and the criminal justice system

the freeway killer the socking true story of serial killer william bonin america home of the free land of the brave thousands of screaming fans pack into baseball games football not soccer stadiums and rock concerts americans like loud music fast cars and women with more plastic in them than the cutlery they use at fourth of july picnics but america has another claim to fame killers sure the rest of the world has turned in some iconic killers from jack the ripper to osama bin laden but killers and serial killers in general are as american as apple pie the f b i theorizes that there are anywhere between twenty five and fifty serial killers active in the united states of america at any given time they each murder an average of three people per year and are active sometimes for decades the f b i goes on to clarify that a serial killer is defined as having killed two or more people in separate events and times these aren t crimes of passion where someone murders someone during an argument or after catching their lover in bed with someone else these are planned and calculated with a cold blooded efficiency that reminds one of black eyed sharks slicing silently through the water to ambush their prey with all of that said it appears as though the golden age of american serial killers is over that crime has steadily fallen since the 1970 s and 1980 s sure they re still around men and a few women who take life after life with their knives and guns but gone are the days of bundy gacy and their ilk we ll take a look at one more one not everyone is familiar with but a man who carved a bloody path through multiple years as the 70 s gave way to the 80 s his name was william bonin and they called him the freeway killer

few episodes in the modern civil rights movement were more galvanizing than the 1964 brutal murders of michael schwerner andrew goodman and james chaney as we approach the 40th anniversary of the murders in june 2004 murder in mississippi provides a timely and telling reminder of the vigilance democracy requires if its ideals are to be fully realized
