the sudden increase of oil prices in 1973 meant that the foreign revenues of iran quadrupled in just over two months as the first opec member to begin disbursing this extra revenue on a significant scale iran offers the first complete example of the social economic and political problems this caused this book examines the cycle of the boom and the years that led up to it â€ from the rural and essentially backward nature of the country to the euphoria of 1973 when the shah seriously talked of iran reaching the great civilisation where by the 1990s iran would be the worldâ€™s fifth power and then finally through to the loss of control over expenditure the cancellation of ambitious projects and eventual disillusionment with all the attendant problems of expectations and increased social and political tension a comprehensive analysis of the system of government in iran is provided in part three of the book demonstrating that this has created a repressed stability incapable of promoting social and economic progress

a reappraisal of the brief presidency of gerald ford called to leadership in the midst of scandal stagflation and an energy crisis for many americans gerald ford evokes an image of either an unelected president who abruptly pardoned his corrupt predecessor or an accident prone klutz

spoofed on saturday night live in this book yanek mieczkowski reexamines ford s two and a half years in office showing that his presidency successfully confronted the most vexing crisis of the postwar era viewing the 1970s primarily through the lens of economic events mieczkowski argues that ford s understanding of the national economy was better than any modern president s that he oversaw a dramatic reduction of inflation and that he attempted to solve the energy crisis with judicious policies throughout his presidency ford labored under the legacy of watergate democrats scored landslide victories in the 1974 midterm elections and within an anemic republican party the right wing challenged ford s leadership even as pundits predicted the gop s death yet ford reinvigorated the party and fashioned a 1976 campaign strategy against jimmy carter that brought him from thirty points behind to a dead heat on election day drawing on numerous personal interviews with former president ford cabinet officials and members of the ninety fourth congress mieczkowski presents the first major work on ford in more than a decade combining the best of biography and presidential history to paint an intriguing portrait of a president his times and his legacy this ambitious work calls for a reexamination of the ford presidency in light of the formidable challenges he faced upon taking office a welcome and important addition to the literature on the ford presidency library journal

mini set d politics and sociology re issues 13 volumes originally published between 1977 and 1991 it discusses the revolution in iran and what that has meant for the wider region of the persian gulf in terms of stability and relations with other countries as well as issues of poverty in iran and the position of minorities for institutional purchases for e book sets please contact online sales tandf co uk customers in the uk europe and rest of world

the sudden increase of oil prices in 1973 meant that the foreign revenues of iran quadrupled in just over two months as the first opec member to begin disbursing this extra revenue on a significant scale iran offers the first complete example of the social economic and political

problems this caused this book examines the cycle of the boom and the years that led up to it from the rural and essentially backward nature of the country to the euphoria of 1973 when the shah seriously talked of iran reaching the great civilisation where by the 1990s iran would be the world s fifth power and then finally through to the loss of control over expenditure the cancellation of ambitious projects and eventual disillusionment with all the attendant problems of expectations and increased social and political tension a comprehensive analysis of the system of government in iran is provided in part three of the book demonstrating that this has created a repressed stability incapable of promoting social and economic progress

from eisenhower to obama this book provides a comprehensive analysis of the policies congress and the president have proposed and passed to protect the environment over time the u s federal government first began to consider legislation to protect the environment and natural resources in 1940s since that time congress and the president have considered and passed numerous environmental policies laws that serve to protect the quality of the air we breathe the water we drink the natural beauty of the land and the animals that live both on land and in the water in making environmental law the politics of protecting the earth experienced and accomplished environmental law researcher nancy e marion shows what policies congress have proposed and passed to protect the environment over time each chapter focuses on the members of congress s response to a different environmental concern such as ocean dumping pesticides and solid waste with green awareness now affecting every aspect of our modern world this text serves as an invaluable reference for students and researchers who need a deeper historical background on the political aspects of these issues

an award winning historian s pathbreaking book uses federal education policy from the great society to reagan s new morning to demonstrate how innovative policies become entrenched irrespective of who occupies the white house

the first major comprehensive treatment of urban revitalization in 35 years examines the federal government's relationship with urban america from the truman through the clinton administrations provides a telling critique of how in the long run government turned a blind eye to the fate of cities

established in 1968 john fuller's sycamore press was an important independently run press that published some of the most influential and critically acclaimed writers of the past half century in addition to publishing established authors such as w h auden philip larkin and peter porter the press sought to promote young poets many of whom have gone on to achieve great success the sycamore press ceased operations in 1992 but it remains an excellent example of the unique qualities associated with the small press movement in england john fuller the sycamore press a bibliographic history explores the press's rich history on several levels in addition to a full descriptive bibliography of all sycamore press publications the book also includes a foreword by john fuller and transcript of an interview conducted with john fuller on 31 march 2007 supplementing the descriptive bibliography are numerous personal reflections written by sycamore press authors about john fuller the press and the works it produced
