conflicts in western societies have been on the rise and not just since the financial crisis of 2008 this is generally explained in economic terms with growing disparities in wealth and income the left should benefit from this with its redistribution philosophy however the right is on the upswing even though its neoliberalism is fueling social conflicts how is that behind the economic tensions lies a deep crisis of meaning the right is exploiting this by offering simplistic set pieces of meaning with success because people strive for nothing so much as meaning in their own lives the example of the usa shows how neoliberalism destroys people and societies possible solutions also come from there

this new discipline proposes a systematic understanding of the customs moral attitudes and cultures of foreign populations to enhance the efficacy of national security initiatives

kanada frankreich und deutschland haben viele gemeinsamkeiten z b ihre demokratischen grundsätze und ihr verfassungsrechtliches streben nach menschenrechten und chancengleichheit dennoch geht jedes land anders mit dem thema einwanderung um friederike alm präsentierte

eine vergleichend historische analyse die den historischen verlauf der migrationspolitik in den drei ländern seit 1945 beleuchtet die autorin schlägt ein neues konzept für die migrationsforschung vor den migrationspolitischen nexus der die verflechtung von einwanderung staatsbürgerschaft und integrationspolitik aufzeigt

the foremost authority today on soviet and post soviet archives in eastern europe considers the essential problems of ukrainian archeography

a comparative study of legal journalism as a reflection of the socio political situation in germany france and the united states from the end of world war i to the rise of the nazi government in germany german text

am 1 oktober 1894 nahmen die ersten evangelischen bahnhofsmisionarinnen am berliner bahnhof friedrichstrasse ihre arbeit auf und leisteten orientierungshilfe für die massenhaft stellung suchenden frauen die in die deutsche hauptstadt einwanderten in die stadtische öffentlichkeit traten frauen jedoch nicht nur durch ihr wohlfahrtspolitisches wirken an den berliner fernbahnhöfen sondern auch durch ihr engagement im tragerverein der bahnhofsmision dem verein zur fursorge für die weibliche jugend als auch im dachverband der sich langsam entwickelnden evangelischen deutschen bahnhofsmision damit gelang es ihnen über viele jahrzehnte auf verschiedene weise und mit unterschiedlichem einflusspotenzial öffentliche raume wenn auch begrenzt zu konstituieren und zu erhalten astrid kirchhof zeigt dass ein bis weit in das 20 jahrhundert hinein wirkendes konstrukt das die gesellschaft in eine vermeintlich klar getrennte private und öffentliche sphäre trennt und frauen sowie männer je einem bereich zuordnet wenig tauglich ist die sozialen beziehungen zwischen den geschlechtern und die historische wirklichkeit von frauen angemessen zu analysieren

please note this is a companion version not the original book sample book insights 1 the nazi international had a comprehensive coordinated agenda with long range goals it intended to exercise significant influence over the fields of exotic physics and technologies space economics and global finance and the exploitation of conflict 2 the grand design of nazi party reichsleiter martin bormann was to transform national socialism into international fascism and to infiltrate and eventually control key areas of the very nations that had defeated the third reich 3 the book is about a conspiracy theory or perhaps better said a hypothesis it remains for the reader to judge if it is a plausible and reasonable one the book does not attempt to construct some sort of grand unified conspiracy theory of modern history but rather proposes an extensive but still limited hypothesis to explain events that cannot be explained by other hypotheses

a history of nazi germany s ss and its leader examining the groups mystical cult aspects and

himmler's rise through the ranks of power hitler's nazi party at its evil roots embraced a bizarre interpretation of ancient european paganism blending it with fragments of other traditions from sources as diverse as tenth century saxon warlords nineteenth century spiritualism and early twentieth century fringe archeology even the swastika the hated symbol of nazism had its roots in ancient symbolism its first recorded appearance carved into a mammoth tusk twelve thousand years before hitler came to power at the heart of the evil was hitler's witch doctor heinrich himmler and his stranger than fiction cult the deadly ss the mundanely named schutzstaffel literally protective squadron was the very essence of nazism and their threatening double lightning bolt was one of the most dreaded symbols of the third reich with good reason what the ss was truly protecting was the ideology of aryan superiority hitler's master of the dark arts is the first history of the ss and its leader to focus on the mystical cult aspects of the organization it follows himmler's transformation of the ss from a few hundred members in 1929 to over fifty thousand black uniformed aryans by the mid 1930s concurrent with its expansion and its eventual independence from the brown shirts of the sa himmler infused the black knights with a mishmash of occult beliefs and lunatic fringe theories that would have been completely laughable except that they were also used to justify the final solution

was hitler just a lone assassin of nations just a crazy fanatic who somehow managed to take power in a powerful nation and threaten world domination and destruction do all germans genetically have fascist tendencies the short answer is no to both of these mythologies and numerous others from hollywood and similar places yet despite the importance of the subject and shelves full of books and scholarly writings on the topic only this study by helga zepp larouche and a schiller institute research team actually approximates a thorough analysis of hitler and the nazi movement its origins and mystical philosophy its fascist economic policies its race science its backers and promoters its drug and gun running its terrorism and assassinations most importantly this book tracks the nazi apparatus transformation into today's green anti human movement and religious terrorism at the end of the war intelligence services engaged in a mad scramble to preserve and take over the nazi old boys networks don't be so sure that the old swastika is gone for good trappings and tactics have changed somewhat but the threat of global destruction is still hanging over us read this book and ensure that mankind can overcome the continuing menace and create a future of progress for all

presents an expose on secret nazi technology nazi survival and post war nazi manipulation of technologies this title includes pre world war ii nazi partnerships in the usa including those with the bush family and nazi germany's penetration of the muslim world including wilhelm voss and otto skorzeny in gamal abdul nasser's egypt
