a highly effective program using traditional kettlebell training methods for conditioning in mma grappling boxing wrestling and other  
combative sports and disciplines

hey how much do you bench press there s a reason why the bench press is the most popular lift in the gym it lets you lift more weight and  
activate more muscle in the upper body than any other move with just this one lift you can work your deltoids your pecs your triceps forearms  
abdominals and even your hand muscles what you didn t know is bench press is also good for punching wow but what if i told you there is an  
exercise many trainers and experts including myself consider the king of exercises would you be interested in learning add two more moves  
and you ve got a complete body workout squat and deadlift that s it if you didn t know squats target your glutes butt while working your quads

and hamstrings and calves and doubling up on your abs which is good for kicking you can never get enough work on your abs especially when you are being kicked and punched in them for competition or in a self defense situation right now round out and wrap up your workout and your backside with the deadlift everything from your neck down to your calves your whole spine and back gets strengthened with the deadlift with all those muscle groups being affected you need to train correctly to maximize your gym time and your weight training time this book is going to make sure you do just that by understanding the following technique form starting weights for lifting between repetitions and workouts nutrition and food progress on a daily weekly and monthly basis expectations for development and growth in this book resistance training for martial artist mixed martial arts mma boxing and all combat fighters i will tell you that king movement mentioned above and what i have learned in my 30 plus years of competing training and teaching i understand you may not want to be a combat sports competitor but maybe pick up one or two things to gain strength and a technique to defend yourself well it s in the book this quick easy to read book can make the difference between success and frustration you ll know what you re doing on your first trip to the gym without suffering the insecurities many first timers do if you re a gym rat you ll pick up new tips and you ll be reassured you re reaching your goals every time you hit the gym you can track your goals in the included guide click the buy now tab and let s get started see you at the gym
