the authors define and describe hermeneutics the science of bible interpretation and suggest effective methods to understand the meaning of any biblical text

a thorough grounding available in the various disciplines of new testament study this is a valuable tool for students scholars and other serious readers of the earliest christian writings together with an ample up to date survey of scholarship on each topic the volume gives a reliable in depth presentation of the history of new testament interpretation the canon of the new testament text criticism and the history of the text the language of the new testament the historical and literary context of the nt writings and the various methods and approaches in modern study

after the council of chalcedon in ad 451 churches using the syriac language came to represent the unorthodox before this epoch making council 150 years had past in which the church language in syria had been primarily greek but at the same time the diversity of languages cultures and theologies had been huge sometimes creating

comprehensive bible study collection featuring sixteen versions of the bible commentaries cross reference and word study tools dictionaries atlases maps charts and devotionals

this is not an ordinary introduction but a manual for exegetical work written for the serious student of the new testament rather than suggesting some easily accessible generalities the book challenges the readers to apply themselves to the texts and it will guide such efforts step by step as it leads the readers through the methodological rigors of scholarship in scholarly method it represents the very best that has been developed primarily in the work of german biblical interpretation over the last hundred years but it is not theory of exegesis that is taught it is applied exegesis exegetical praxis those who will follow the advice which this book gives will be richly rewarded as they become more conversant with the living voice of the gospel that is enshrined in the words phrases and sentences of scripture helmut koester harvard university the divinity school this unique and comprehensive handbook will be a boon to any serious student of the new testament the authors are expert guides to the current state of research as well as to the tasks and methods of exegesis victor paul furnish southern methodist university

in this concise guide leading scholars survey the discipline and present three current approaches to determining the text of the new testament

conflict and authority in luke 19 47 to 21 4 examines luke s account of a verbal confrontation between jesus and the religious leaders of jerusalem professor grangaard analyzes the role of this passage within the larger narrative and illuminates luke s presentation of the teachings of jesus on such topics as the payment of taxes to caesar the nature of life in the resurrection and the relationship of the messiah to david this confrontation over jesus authority provides a narrative transition between jesus ministry and journey 4 14 19 46 and the events of his passion 22 1 24 53 while preparing the way for the climax of the story
