This book is for and about the millions of people who are between jobs. Code for out of work have been between jobs or might someday be between jobs. It is about the transition from employment for life and a company sponsored pension to downsized, outsourced and replaced. It is about managing your career proactively and creatively in an environment where no job is presumed to be permanent. Bill Holland explains the macro trends that have converged since the heyday of the white collar worker after World War II to create an environment of job instability and anxiety. He then moves beyond this context to present specific tactics and techniques readers can use to stay one step ahead in their careers whether they are senior executives or just starting out.
