contemporary research on crime prisons and social control has largely ignored women partial justice the only full scale study of the origins and development of women s prisons in the united states traces their evolution from the late eighteenth century to the present day it shows that the character of penal treatment was involved in the very definition of womanhood for incarcerated women a definition that varied by race and social class rafter traces the evolution of women s prisons showing that it followed two markedly different models custodial institutions for women literally grew out of men s penitentiaries starting from a separate room for women eventually women were housed in their own separate facilities a development that ironically inaugurated a continuing history of inmate neglect then later in the nineteenth century women convicted of milder offenses such as morals charges were placed into a new kind of institution the reformatory was a result of middle class reform movements and it attempted to rehabilitate to a degree unknown in men s prisons tracing regional and racial variations in these two branches of institutions over time rafter finds that the criminal justice system has historically meted out partial justice to female inmates women have benefited in neither case partial justice draws in first hand accounts legislative documents reports by investigatory commissions and most importantly the records of over 4 600 female prisoners taken from the original registers of five institutions this second edition includes two new chapters that bring the story into the present day and discusses measures now being used to challenge the partial justice women have historically experienced

a lucid and fascinating account of how society initially comes to be viewed as civilized on the basis of how it punishes its offenders and the various numances and contradictions that form the backdrop to that civilization prior to 1970 and the unraveling of that process thereafter he pratt has at the very least broadened the boundaries of the debate about the history of imprisonment in new and novel ways that will surely become a basis for future analysis the howard journal of criminal justice in presenting and organizing such a wealth of historical material john pratt s book will be welcomed by those who teach and study the history of the prison in the english speaking world criminal justice punishment and civilization examines how a framework of punishment that suited the values and standards of the civilized world came to be set in place from around 1800 to the late 20th century in this book john pratt draws on research about prison architecture clothing diet hygienic arrangements and changes in penal language to establish this the author demonstrates that this did not mean however that such a framework of punishment was civilized instead it meant that punishment in the civilized world became anonymous and remote prison brutalities and privations could be largely unchecked by a public

that did not want to be involved in the last few decades it has become clear that civilized societies have to tolerate new boundaries of punishment this is not because of any development of civilized punishment instead this is due to a shift in public mood and power from public indifference to public involvement in penal development throughout this text theoretical ideas and concepts are accessibly introduced and illustrated with a wide range of examples from the uk usa canada australia and new zealand it will be essential reading for students and academics of punishment prisons and social theory

the congressional record is the official record of the proceedings and debates of the united states congress it is published daily when congress is in session the congressional record began publication in 1873 debates for sessions prior to 1873 are recorded in the debates and proceedings in the congress of the united states 1789 1824 the register of debates in congress 1824 1837 and the congressional globe 1833 1873
