f f bruce s revised study on the book of acts is a contribution to the new international commentary on the new testament prepared by some of the world s leading scholars the series provides an exposition of the new testament books that is thorough and fully abreast of modern scholarship yet faithful to the scriptures as the infallible word of god

the second of john n oswalt s two part study of the book of isaiah for the nicot series this commentary provides exegetical and theological exposition on the latter twenty seven chapters of isaiah for scholars pastors and students

understanding the new testament is a daunting but exciting task our world is so different from that of the first century yet it is important to understand the context and content of the new testament if we are to be faithful followers now in paper this survey addresses the who what where when why and how questions that readers of the bible may have such as how can we tell if what is written in the new testament is true history or just mythology when were these books written and why and what can today s believers get out of letters addressed to people who lived two millennia ago written in an easy informal style this survey is accessible and enjoyable to anyone who wants to better understand the new testament

it is a special pleasure to introduce r t dick france s commentary to the pastoral and scholarly community who should find it a truly exceptional and helpful volume so says gordon fee in his preface to this work france s masterful commentary on matthew focuses on exegesis of matthew s text as it stands rather than on the prehistory of the material or details of synoptic comparison it is concerned throughout with what matthew himself meant to convey about jesus and how he set about doing so within the cultural and historical context of first century palestine amid the wide array of matthew commentaries available today france s world class stature his clear focus on matthew and jesus his careful methodology and his user friendly style promise to make this

volume an enduring standard for years to come

this is a must have for every serious student of the old testament dr block has written the best work yet on the book of ezekiel he combines solid biblical exegesis with practical devotional application

how important is childhood in the spiritual formation of a person how do children experience god in the context of their lives as they grow what does god do in the lives of children to draw them to himself and help them grow into a vital relationship with him how can adults who care about children better support their spiritual growth and direct it toward relationship with god through jesus christ these are critical questions that church leaders face as they consider how best to nurture the faith of the children god brings into our lives in this book over two dozen christian scholars and ministry leaders explore important issues about the spiritual life of children and ways parents church leaders and others who care about children can promote their spiritual formation

this intermediate advanced text and workbook teaches syntax as well as exegesis by means of a modified inductive approach

the new testament contains numerous statements by jesus and new testament authors that seem to suggest that jesus was coming back soon in their lifetime but two thousand years later here we still are how do we handle this apparent failed prophecy did jesus and his followers get it wrong did they miscalculate the timing of jesus return or were jesus and the authors of the new testament anticipating something else the purpose of this book is to examine this issue by looking in detail at the new testament texts that seem to promise that christ is coming back right away it will provide a possible answer to these questions in light of the tension between the promised imminent return of christ and its delay

an engaging and user friendly survey of the book of romans

should a christian doctrine of salvation be concerned with this life or the life to come with forgiveness of sins or deliverance of sinners with the saving of the soul or the healing of the body should it focus on the person and work of jesus christ or on the presence and power of holy spirit to all these questions and more tony richie's saved delivered and healed introducing a pentecostal doctrine of salvation answers yes then it proceeds to present from the scriptures from pentecostal theology and spirituality and from decades of pastoral and personal experiences and academic insights an energetic and holistic view of salvation grounded in the wisdom goodness and power of god its constant focus is god's ultimate redemptive purpose in jesus christ by the power of the holy spirit for the lives of real human beings living in the real world if you have ever wondered what christian salvation actually means and how it actually works then this book is for you

paul's letter to the romans has been called the quintessence and perfection of saving doctrine perhaps the most challenging and thoroughly doctrinal book of the entire new testament romans deals with many issues that are basic to christian theology and practice in the epistle to the romans respected new testament scholar douglas moo provides a superb study of paul's letter to the roman christians and restates the enduring message of romans for christians today originally written for the wycliffe exegetical commentary series this work has been substantially expanded and adapted for the nicnt series it now treats the entire book of romans rather than the first half based on the english text but bringing into the discussion the underlying greek at every point this commentary focuses both on theological meaning and on contemporary significance moo makes a contribution to the continuing debate regarding paul's teaching on such issues as jewish law and the relationship between the jews and gentiles in the people of god he also critically interacts with the new perspective on paul highlights romans's emphasis on practical divinity and traces the theme of gospel throughout the epistle

wenham's study on the book of leviticus is a contribution to the new international commentary on the old testament like its

companion series on the new testament this commentary devotes considerable care to achieving a balance between technical information and homiletic devotional interpretation
