walking the complete book will motivate you to get moving avoid aches and pains and enjoy a more energetic life whether you are just starting to walk around the block or have been active for years walking the complete book has a world of information that will make you want to walk every day as it helps you improve the experience

what happens when death becomes the ultimate marker of one's commitment to one's freedom what happens when the opposite of freedom is not unfreedom but death not slavery but mortality how are we to think of the right to life when a political demand for dignity and honor might be more important than life itself dying for freedom explores these questions by drawing on archival evidence from south africa to show how death and conflicting notions of sacrifice dominated the struggle for political equality in that country this political investment in death as a marker of commitment to the anti apartheid struggle encouraged a masculinist style of politics in which the fight for freedom was seen and understood by many activists as a struggle literally for manhood this investment generated a notion of political sacrifice so absolute that anything less than death was rendered suspect more importantly it resulted in a hierarchy of death whereby some deaths were more important than others and where some deaths could be mourned and others not this highly original account of the necropolitics of the liberation struggle will be of interest to students and scholars throughout the humanities and social sciences and to anyone interested in south africa
