the path of the righteous by mordecai paldiel recounts the inspiring stories of several hundred

righteous among the nations heroic gentile men and women in virtually all the countries of nazi occupied europe who put themselves and their families at risk in order to save the lives of jews fleeing the nazi terror drawn from the files of yad vashem memorial in israel these stories are a badly needed corrective to the pessimistic view of human nature which has become all too common in the holocaust s aftermath they prove that decency morality and altruism can survive even under the most horrendous of circumstances and that some people will always be willing to act selflessly it also serves to disprove the cruel lie being promulgated by some that the holocaust never took place or did not take place as described in eye witness accounts the courageous individuals whose tales are recounted in this book are monuments to the nobility of the human spirit they did what they did not for the sake of reward or prestige but because they believed it was right some of them were pious christians motivated by religion others were energized by feelings of intense compassion neither the threat of punishment nor ostracism by relatives and neighbors deterred them love for their fellow human beings was a higher value the book contains a foreword by rabbi harold schulweis founding chairman of the jewish foundation for christian rescuers adl and an afterword by abraham h foxman national director of the anti defamation league and a holocaust survivor who was saved by his polish nursemaid poignantly express their recognition of and gratitude to the untold numbers of righteous gentiles many of whom will never be known by us
