nobody nowhere is an account of the soul of someone who lived the word autism and survived in an unsympathetic environment despite intense inner chaos and incomprehension it describes how against the odds donna came to live independently achieve a place at university and write this remarkable autobiography

labeled deaf retarded disturbed and insane donna williams lived in a world of her own alternating between rigid hostility and extroversion she waged what she termed her war against the world she existed in a dreamlike state parroting the voices of those around her in the hope that they would leave her alone few people understood her least of all donna herself it was not until the age of twenty five that donna discovered the word autism that would at last give her the opportunity to understand herself and begin to

build a bridge to join the world as most know it nobody nowhere donna williams extraordinary autobiography is her heroic attempt to come to terms with autism this eloquent memoir reveals a fierce intelligence great creativity and much humour it will shatter many myths and misconceptions the poetic sensibility and extraordinary insights of nobody nowhere make it inspiring reading for everyone from the trade paperback edition

from concerns of an autism epidemic to the mmr vaccine crisis autism is a source of peculiar fascination in the contemporary media discussion of the condition has been largely framed within medicine psychiatry and education but there has been no exploration of its power within representative narrative forms representing autism is the first book to tackle this approach using contemporary fiction and memoir writing film photography drama and documentary together with older texts to set the contemporary fascination with autism in context representing autism analyses and evaluates the place of autism within contemporary culture and at the same time examines the ideas of individual and community produced by people with autism themselves to establish the ideas of autistic presence that emerge from within a space of cognitive exceptionality central to the book is a sense of the legitimacy of autistic presence as a way by which we might more fully articulate what it means to be human

lila is sanskrit for play the play of the gods it is the self generating genesis of bliss created by bliss for the purpose of bliss it is the uninhibited impulsive sport of brahman the free spirit of creation that results in the spontaneous unfolding of the cosmos to be found in the eternity of each moment it is beyond the confining locks and chains of reason beyond the steel barred windows looking out from the cages of explanation beyond the droning tick tick tick of the huge mechanical clocks of time come let us enter the realm of the madman and the finely wrought threads of clotho as they are measured out by lachesis and cut by atropos to create the great tapestry of life including the intricate intertwining designs of dementia with the trickster the shaman the scapegoat the shadow the artist and the savior come let us join in the divine madness of the gods
