this book takes you on a journey that unpacks and demystifies what spiritual growth is and how it unfolds the aim is to set you on your own path toward genuine personal spiritual transformation the book provides all the tools you need biblical scientific and practical so that you can develop your own pathway for spiritual growth what is unique about victor copan s approach to spiritual growth is that he explores recent findings of brain research as well as scientific research on habit formation and brings them into conversation with the process of spiritual formation research on the brain and on habit formation has uncovered significant insights about the process and dynamics of human transformation that can be fruitfully incorporated into our own pursuit of spiritual transformation tapping into this research allows us to work in concert with how god designed humans to function body soul and spirit

even though they lack the words to describe it most people know that spiritual warfare is real this book pulls back the curtains and gives the reader a front row seat to the most exciting show of our time each chapter pairs riveting personal stories with solid biblical teaching to give the reader practical guidelines for defeating satan and living a victorious christian life perhaps you feel like peter felt when jesus commanded him to leave the safety of his boat and step upon the tempestuous sea because he trusted jesus he obeyed him later jesus told the disciples that they would do greater things this book will help you find the courage to step out of your comfort zone and walk into the world of power ministry thankfully a series of profound encounters with evil supernaturalism forced me to overcome my internal resistance to spiritual warfare after i learned how to

flow with the spirit defeat the enemy and set the captives free my life has never been the same are you ready to join the battle

in producing for profit a practical guide to making independent and studio films andrew stevens provides real world examples and his own proven techniques for success that can turn passion into profit far more than just theory the book outlines practical applications that filmmakers of all levels can use to succeed in today's ever changing marketplace readers will learn how to develop screenplays that are commercial and how to negotiate finance cast produce sell distribute and market a film that will make a profit the book contains numerous examples from the author's own films including sample budgets schedules and a variety of industry standard contracts this is the definitive book that every producer must have
