chronicling the rise and fall of north carolina's fusion movement this book illuminates an intricate interplay between politics economic agendas and racism it examines how wealthy agriculturalists industrialists lawyers merchants and railroad leaders manipulated the state's political economic and social structures to assert dominance and maintain white supremacy undermining the power gained by african americans during reconstruction by the mid 1890s however black and white republicans and supporters of the smaller peoples party formed a coalition known as fusion upending two decades of the democratic party's white elite political domination in north carolina after four years the democratic party mobilized under the menacing banner of white supremacy and led by conservative pro business white people restored the party's control over the state government craig thurtell contends that an examination of this period reveals that race was not the sole factor in the democratic party's quest for control instead elite white men sought to establish a new social order influenced by class divisions and short of a revolution provides a comprehensive analysis of these dynamics revealing the multifaceted motivations behind the political shifts of late nineteenth century north carolina

radical protest and social structure the southern farmers alliance and cotton tenancy 1880 1890 provides an analysis of the occurrence of protest its growth and demise through the study of the southern farmers alliance the largest and most radical component of american populism the monograph presents historical and sociological facts and aims to interpret protest movements and the social structure they seek to reform chapters are devoted to the discussion of tenancy southern politics and the spiral of agrarian protest organization and history of the southern farmers alliance the role of the social structure in the behavior of social movements and the determinants of organized protest the book will be invaluable to historians sociologists researchers and students

report of the dominion fishery commission on the fisheries of the province of ontario 1893 issued as vol 26 no 7 supplement

the years after the civil war brought struggle to the southern farmer as the economic mainstay of the south cotton steadily dropped in price prompted by hard times farmers in lampasas county texas gathered in 1877 to discuss what could be done from these modest origins emerged the national farmers alliance and industrial union later known as the southern farmers alliance a powerful protest movement that played an important role in the formation in 1892 of a new political force the people's party in the solid south particularly in texas large numbers of voters abandoned the democratic party for the new party yet despite this support the decline of the people's party after 1894 was swift farmers in rebellion recounts the compelling story of these two crucial and closely related movements donna a barnes examines their developmental histories asking such important questions as under what conditions do protest movements remain weak under what conditions do they prosper amassing large numbers of supporters and under what conditions do successful protest movements lose their momentum and die the author explores these complex questions with deft use of archival data that allows her to reflect on the adequacy of the past sociological answers to these questions farmers in rebellion is a book rich in detail and scope in its look at a critical juncture in the growth of national populist movements of interest to sociologists

historians and political scientists it stands as an important contribution to our understanding of a pivotal time in Texas and national history

report of the dominion fishery commission on the fisheries of the province of ontario 1893 issued as vol 26 no 7 supplement
