mathematics has maintained a surprising presence in popular media for over a
century in recent years the movies good will hunting a beautiful mind and stand

and deliver the stage plays breaking the code and proof the novella flatland and the hugely successful television crime series numb3rs all weave mathematics prominently into their storylines less obvious but pivotal references to the subject appear in the blockbuster tv show lost the cult movie the princess bride and even tolstoy's war and peace in this collection of new essays contributors consider the role of math in everything from films baseball crossword puzzles fantasy role playing games and television shows to science fiction tales award winning plays and classic works of literature revealing the broad range of intersections between mathematics and mainstream culture this collection demonstrates that even mass entertainment can have a hidden depth

every saturday night in the eighties fans would gather around their television to watch not saturday night live but saturday night the main event wwe wrestling beat the ratings for the most talked about show on television week after week here is that era captured introducing your champion from venice beach california at three hundred and three pounds hulk hogan and his challenger hearing those words ring out across the arena meant you were there it didn't matter if you were there in person or watching on television or closed circuit you were in the place where everyone wanted to be you could feel the crowd as the tension built you were swept up and into the action you knew you were going to witness history you were experiencing the main event at a live wwe show it seemed that wrestling had changed overnight that the men who entered the squared circle were suddenly larger than life everyone wanted to see the behemoth hulk hogan wrestle and the men who wrestled with and against him were his equals in creating a match and a character that no one would soon forget andre the giant rowdy roddy piper jesse the body ventura jake the snake roberts sgt slaughter they all kept you pinned to your seat as they were pinning their opponents to the mat you just knew that you were going to see things that no one had ever seen before the eighties was the era that cemented wwe as the place where the best wrestlers on the planet worked main event wwe in the raging 80s dips into those years and reveals the most celebrated wrestlers and the matches that will be recalled as not just the best of the eighties but the best of the ages

an invaluable resource for any wrestling fan of the era the second in the series this is the complete guide to every wwf vhs release from 1990 1993 with full reviews of every tape alternative wrestler bios exclusive artwork by bob
