this book investigates china s foreign policy concerning the principle of non intervention in domestic affairs of other states in the post cold war period the principle of non intervention has traditionally been central to chinese foreign policy but as china s economy has boomed international attention to her foreign policy has been increasingly hostile accordingly an exploration of china s non intervention policy is worthwhile to understand china s foreign policy and its international behavior this book will be of interest to china watchers scholars of geopolitics and asian historians

political ideological and ethnic conflicts have resulted in countless deaths the creation of millions of refugees the destruction of livelihoods and widespread human suffering to say nothing of the economic destruction this book examines institution building and security sector reform in conflict states by analyzing eighteen case studies covering eleven countries and six decades with regard to institution building there is an analysis of four democratic levers elections the legislature the executive and devolution focusing on how

the structure and function of these political institutions contribute to the management and reduction of conflict and to the consolidation of fragile democracies concerning security sector reform there is an analysis of how military police and intelligence institutions are reformed in states that are coming out of conflict states that are moving beyond settlement some of the conflicts in this study are ongoing palestine while others have been resolved spain south africa while still others are in a peace building or immediate post conflict stage northern ireland

pambazuka news pambazuka means arise or awaken in kiswahili is a tool for progressive social change in africa pambazuka news offers a comprehensive weekly round up of news on human rights conflict health environment social welfare development the internet literature and arts in africa pambazuka news is produced by fahamu an organization that uses information and communication technologies to serve the needs of organizations and social movements that aspire to progressive social change from pambazuka news web site

this report recommends that the new un secretary general take genocide prevention as a mission statement and mandate and place it at the center of his and his organization s agenda the report also makes a number of recommendations for the united states and others to build a sustainable capacity for genocide prevention that is substantial enough to deal with inevitable crises but sustainable given other national security demands

beyond the rhetoric essays in africa s development challenges there are many analyses of africa s developmental challenges most cloaked in fashionable buzzwords semantics grand theories and media friendly mellifluous phrases dr chinua akukwe goes beyond the rhetoric to pose a simple question what can be done with policymakers and general readers in mind he discusses and proffers solutions to a number of current contentious issues in africa from the darfur crisis in the sudan african union s diaspora strategies the new partnership for africa s development nepad to the political crises simmering in his own country nigeria dr chinua akukwe is an adjunct professor of both global health and community preventative health at the george washington university school of public health washington dc usa and also chairman of the technical advisory board of the university s africa center for health and human security he was equally a former member of the executive committee of the university s medical center faculty senate the highest representative body of all professors affiliated with the medical center a former vice chairman of the executive committee and governing board of the national council for international health ncih now known as the global health council washington dc dr akukwe was also a member of the international human rights committee of the american public health association as well as a board member of the christian connections for international health an international ecumenical organization based in the united states a widely published scholar on hiv aids healthcare and development issues in africa he served for five years as a member of the editorial board of the american journal of public health one of the leading public health journals in the world and is also currently a contributing editor to both the worldpress org and the usafricaonline org dr akukwe is a fellow of the american college of epidemiology a fellow of the royal society of medicine london and a member of the new york academy of sciences he is also a member of the board of

directors of the constituency for africa cfa washington dc a leading advocacy organization for africa s development in the united states he has equally served as an expert analyst on african issues for both the bbc s world news and the voice of america s africa programs

in many countries prolonged conflicts result in food emergencies that recur over years or even decades initial humanitarian relief efforts are rarely replaced by programs that offer a longer term perspective on food security this book provides examples of opportunities to bridge the gap between emergency relief and longer term developmental approaches which can help us rethink how to support food security in protracted crises somalia sudan and the democratic republic of congo have all been affected by severe protracted crises for the first time evidence and in depth analysis from these countries sheds light on how to support the livelihoods of local populations using concrete examples beyond relief demonstrates how food security means different things in different contexts while also advocating a crosscutting learning process for longer term approaches to protracted crisis

makes proposals for how to forge a new international consensus on the use of force including its preemptive use to address today s interrelated threats of terrorism weapons of mass destruction and humanitarian crises considers how these strategies could be best legitimized and made palatable to domestic and international communities provided by publisher
