master book describing professional grooming habits for dogs

what does a day in the life of a dog groomer look like
why is it so expensive to get your dog's haircut
does the groomer know she has makeup running down her face
wait is that makeup or is that something that came out the backside of the dog
is she just going to leave it there while she drinks her coffee
what is the most common dog name
what is the name heard around the store through the loudspeaker
that no one will ever forget
what happens if a dog tries to bite
do i have to have an appointment
does my groomer actually care about my dog
i'm your dog groomer
i have to stand on top of the table to work on big dogs
i have to carry your new puppy like a human baby
and rock him back and forth to work on his paws and nails
my workday does not just include bathing and haircutting
your precious pup
i wish it did
i get pooped on
peed on
and all manner of bodily fluids have been on my person
yet i still prefer to work with animals over people
and yes i really do care about your dog

the information about the book is not available as of this time

helping dogs feel safe and relaxed in the grooming salon is a win win situation for all the groomers the dogs they are working with and the dogs family members reducing stress and anxiety can go a long way towards helping groomers be able to work with dogs more efficiently and cooperative animal care is invaluable in helping to achieve this this efficient collaboration leads to increased business higher return and retention rates a safer working environment happier healthier people and animal clientele this book offers ways to develop a relationship of respect cooperation and trust by teaching the animal those behaviors that allow for a safer healthier more enjoyable grooming relationship
