by the author of *Midnight's Children* two men miraculously survive an explosion in a hijacked jumbo jet only to discover they have been chosen as protagonists in the eternal battle between god and the devil

1 new york times bestseller a torrent of endlessly inventive prose by turns comic and enraged embracing life in all its contradictions in this spectacular novel verbal pyrotechnics barely outshine its psychological truths newsday winner of the whitbread prize one of the most controversial and acclaimed novels ever written the satanic verses is salman rushdie's best known and most galvanizing book set in a modern world filled with both mayhem and miracles the story begins with a bang the terrorist bombing of a london bound jet in midflight two indian actors of opposing sensibilities fall to earth transformed into living symbols of what is angelic and evil this is just the initial act in a magnificent odyssey that seamlessly merges the actual with the imagined a book whose importance is eclipsed only by its quality the satanic verses is a key work of our times praise for the satanic verses rushdie is a storyteller of prodigious powers able to conjure up whole geographies causalities climates creatures customs out of thin air the new york times book review exhilarating populous loquacious sometimes hilarious extraordinary a roller coaster ride over a vast landscape of the imagination the guardian london a novel of metamorphoses hauntings memories hallucinations revelations advertising jingles and jokes rushdie has the power of description and we succumb the times london

the satanic verses in early islam historical accounts theological debates and the evolution of prophetic memory one of the most controversial episodes in islamic history has long been whispered about debated defended and denied but what do the earliest sources actually say the satanic verses in early islam offers a careful historically grounded examination of the reports describing an alleged incident in which verses attributed to divine revelation were later withdrawn drawing on early islamic historians qur'anic commentators and classical scholars this book traces how the story emerged how it was transmitted and why later generations struggled to reconcile it with evolving ideas of prophetic infallibility beyond the event itself this study explores how theology politics and communal identity shaped what could be remembered and what had to be forgotten it shows how the concept of prophethood evolved over time and how reinterpretation censorship and silence transformed an uncomfortable episode into a theological fault line written in a clear accessible style for readers interested in islamic history religious studies and the formation of sacred memory this book does not seek to provoke but to understand if you want to explore how early islam wrestled with

doubt authority and revelation and how history was reshaped in the process this book is an essential read

a study guide for salman rushdie s the satanic verses excerpted from gale s acclaimed novels for students this concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more for any literature project trust novels for students for all of your research needs

salman rushdie is perhaps the most important writer of the present time his significant and controversial literary interventions in debates on post colonial culture and contemporary south asian islam are matched by the contribution he has made to postmodern literature in the west culminating in the award to him in 1993 of the twenty fifth anniversary booker of bookers prize this collection of articles focuses on rushdie s five novels the context is set by the introduction the politics of salman rushdie s fiction which discusses the political stance of rushdie s fiction the various influences on his work and the textual strategies and techniques he employs for political expression and cultural critique the postmodern post colonial interface the carnivalesque and satire are major themes treated here and in the articles that follow which also provide diverse other perspectives on rushdie s thought and method a number of essays have been commissioned specially for this volume an appendix listing selected writings by rushdie and articles on the satanic verses affair is followed by a comprehensive bibliography annotating critical studies of rushdie s work

new york magazine was born in 1968 after a run as an insert of the new york herald tribune and quickly made a place for itself as the trusted resource for readers across the country with award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating new york as both a place and an idea

the worldwide controversy surrounding its first publication in 1988 and concurrent death threat against its author salman rushdie paradoxically led to a narrow understanding of the satanic verses which focused on whether it is insulting to islam and whether it should be banned and despite piecemeal attention to its epistemic intricacies by students of postcolonial literature in the aftermath the satanic verses essential opacity has never been sufficiently met the unknown satanic verses controversy on race and religion now responds to this gap through painstakingly detailed

attention to the totality of rushdie s text indeed it uniquely approaches the satanic verses attempt to mythicize race and migration on the one hand and secularize religion and islam on the other from a perspective informed by the perennial debate on religion and politics esoteric or coded writing in the history of political thought especially in times of persecution and islamic criticism in contemporary world literature Üner daglier s findings accord with another layer of interpretation that emphasizes rushdie s across the board critique of racial prejudice penchant for cultural eclecticism and bitterly skeptical treatment of the foundations of submission and proposal for feminist islamic reform as the antidote for entrenched misogyny in a world where philosophy is for the rare and religion for the many they further convey rushdie s constant preoccupation with the nature of miracles and postmodern case for intersubjectivity as a criterion for openness to their validity

gale researcher guide for salman rushdie s the satanic verses is selected from gale s academic platform gale researcher these study guides provide peer reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research

was muhammad deceived by dark forces uncover the shocking truth about the founder of islam woe is me poet or possessed muhammad could one of history s most influential figures have been a vessel for satanic manipulation it s time to pull back the curtain on the origins of islam and the shocking unsettling accounts of its founder muhammad drawn directly from the most authoritative islamic sources the uncensored truth of islam s founder forget the sanitized biographies this e book provides an uncensored and uncompromised look at muhammad s life compiling over 1 000 direct hyperlinked quotations from the quran authentic hadiths sirah literature and tafsirs these troubling accounts often unknown even to educated muslims form the core of this unflinching e book the evidence of demonic influence the e book lays out the compelling case that muhammad was demon possessed or severely demonically influenced examining his prophetic career through a critical clinical lens the cave of hira terror the alleged angel gabriel s first encounter left muhammad abused in mental turmoil and so terrified he became suicidal and feared he was going mad physical manifestations he exhibited bizarre physical behaviors twitching foaming at the mouth convulsing and making animalistic sounds like roaring or snorting mistakenly attributed to divine inspiration from gabriel or allah satan s voice the infamous satanic verses incident reported in islamic texts where muhammad uttered the words of satan black magic

evidence that muhammad was under a black magic spell and even had a demonic spirit guide or familiar spirit morality under scrutiny if god is righteous and holy could he truly work through a person who sanctioned evil the author scrutinizes muhammad s deplorable morality and provides the sources for his involvement in child marriage his controversial consummation of marriage to 9 year old aisha at the age of 54 atrocious practices the sanctioning of wife beating sex slavery assassinations and torture was muhammad truly a perfect example for humanity when islamic texts document actions many would describe as cruel oppressive and tyrannical what spirit was truly moving behind him the broader implications satan s strategy this book is not merely an academic exercise the analysis is conducted by an expert with extensive experience in christian deliverance ministry expelling demons offering a unique informed perspective on the evidence the conclusion is chilling muhammad was clearly a false prophet of god the e book uncovers the ultimate purpose of satan s manipulation to establish a false religion designed to blind people s minds from the true gospel that jesus is the only begotten son of god who died on the cross for the sins of the world and was resurrected without the belief in the gospel there is no salvation an essential resource this comprehensive analysis is a vital resource for every truth seeker and an essential tool for those involved in christian apologetics and polemics arm yourself with a wealth of evidence and over 1 000 sourced references for refuting the religion of islam uncover the shocking truth
