success is difficult to define it is a state of being and a state of action it is complicated to say that we have succeeded because it is not something fixed but something that does not stop it is when we carry out actions on objectives and that these objectives are reached we can say that there is success this success will be punctual and can be constantly questioned because it will always remain relative it is the feeling that one has of being satisfied by achievements to succeed it is important to condition yourself indeed there is no success without conditioning this conditioning is an important mental work it is also repetitions of positive actions through habits we don't succeed by chance it only works on a combination of circumstances but it doesn't go any further to succeed it is therefore necessary to set up a substantive work which allows to go to the end of what we undertake the problem is that in success if you let yourself be guided by motivation desires and only passions you do not necessarily succeed for the simple reason is good that these are not regular parameters to achieve important goals you need consistency the motivation remains too irregular and even with motivation it is difficult to succeed for lack of structured thinking mental conditioning will therefore focus on controlling what you think when you are in difficulties you will have automatic mental keys to get out of these difficulties when it is necessary to act on the objectives you will go towards the good actions because the mind will be positively conditioned in this book we will see why success is important in life then we will see the importance of the morning to have direct results during the day we will

discuss the power of habits a key element in the structure of the day so that we no longer depend on lack of energy or lack of motivation we will define the mental map of success that is to say the key points of mental conditioning for success we will study the discomfort and how we can use the difficulties so that it is no longer a problem but a springboard finally we will see mental routines with concrete examples

everyone desires to be great and successful in life however most people are not ready to pay the price success takes discipline dedication determination and much more i challenge you to overcome the status quo upon reading this invaluable book say goodbye to procrastination and step out to pursue your dream when you apply the practical principles in this book you will be on your journey to success you have witnessed others achieve their goals this is the time to celebrate yours too david ojo is a dynamic preacher of god s word recording artist author and the founding and senior pastor of christ love international church in new jersey he began his ministry over 30 years ago and has traveled extensively to propagate the gospel worldwide helping and liberating the people of god from the oppression of the devil pastor ojo graduated from new york city university with a bachelor s degree in accounting and continued his education with a master s in business administration pastor david ojo is married to his best friend dr kemi ojo and they are blessed with four wonderful children

we live in a fast paced and highly competitive world the last few years have seen changes not witnessed in centuries have all these developments increased our sense of well being data seems to suggest otherwise the happiness trail shows us an attainable contextual way to achieve two seemingly complementary goals happiness and success that we many a time discover to be contradictory in this book ramesh venkateswaran lays down five easy to follow approaches to a happy and successful life which he calls the five i s integrity interact involve imbibe and impact armed with this road map the ever elusive happiness seems within reach and success a natural consequence

how many self help books are written by authors whose biggest success is selling self help books three simple steps is different despite stock market crashes dot com busts and the specter of recession the author started a virtual company from home using a few thousand dollars of his savings a few years later without ever hiring an employee or leaving his home office he sold it for more than 100 million as the economy slipped into another free fall he did this again with a company in a different field he accomplished this through no particular genius rather he studied the habits of the many successful men and women who preceded him and developed three simple rules that if followed diligently virtually ensure success using them first to escape poverty then to achieve a life of adventures he finally turned them toward financial independence written in a straightforward and no nonsense style three simple

steps shows you how to take back control of your destiny and reshape your mind for increased creativity serenity and achievement while building on the wisdom of great thinkers and accomplished individuals from east and west three simple steps isn't a new age text or guide to esoteric fulfillment rather it's a practical guide to real life achievement by a pragmatic businessman who attributes his incredible successes to these very simple ideas three simple steps is a must read guide for everyone who wants to achieve more live better and be happier
