this open access book presents original contributions and thought leadership on academic integrity from a variety of canadian scholars it showcases how our understanding and support for academic integrity have progressed while

pointing out areas urgently requiring more attention firmly grounded in the scholarly literature globally it engages with the experience of local practitioners it presents aspects of academic integrity that is specific to canada such as the existence of an honour culture rather than relying on an honour code it also includes indigenous voices and perspectives that challenge traditional understandings of intellectual property as well as new understandings that have arisen as a consequence of covid 19 and the significant shift to online and remote learning this book will be of interest to senior university and college administrators who are interested in ensuring the integrity of their institutions it will also be of interest to those implementing university and college policy as well as those who support students in their scholarly work

ever since she was a teen robin fox has been tormented by painful flashes of the future too little and too late to prevent disaster back then her gift painted a target on her back and she was forced to flee a devious enemy and trust her family with her one secret when a child disappears from a remote mountain resort sixteen years later robin's visions may finally prove helpful but the situation is not what it seems she may have fallen into a trap with her own secret as bait robin holds the key to find the missing child but her desperation to make up for past mistakes forces an impossible choice

from the author of the international no 1 bestseller they both die at the end balancing epic and intensely personal stakes the new york times bestselling infinity son is a gritty fast paced adventure about two brothers caught up in a magical war generations in the making growing up in new york brothers emil and brighton always idolized the spell walkers a vigilante group sworn to rid the world of specters while the spell walkers and other celestials are born with powers specters take them violently stealing the essence of endangered magical creatures brighton wishes he had a

power so he could join the fray emil just wants the fighting to stop the cycle of violence has taken a toll making it harder for anyone with a power to live peacefully and openly in this climate of fear a gang of specters has been growing bolder by the day then in a brawl after a protest emil manifests a power of his own one that puts him right at the heart of the conflict and sets him up to be the heroic spell walker brighton always wanted to be brotherhood love and loyalty will be put to the test and no one will escape the fight unscathed praise for infinity son a magnificent addition to the ranks of young adult fantasy waterstones silvera shoots off his plot like a gun and writes action sequences as if they were car chases relentless quick cutting sparks flying new york times silvera has created an exciting fantasy series opener fans of cassandra clare will love this magical book that embodies it all school library journal
