this manual has been written with the law enforcement firearms instructor in mind it is an attempt to save the instructor time by furnishing already prepared outlines that cover most of the subject currently taught by and to law enforcement personnel the purpose of the manual is twofold first it can be used by current firearms instructors as a handy reference guide and also as a way of keeping all of the firearms outlines in one simple format by preparing the manual in this fashion all of an instructor s outlines are easily accessible should an instructor s class be challenged by the legal system secondly this manual can be used as the text for firearms instructor initial certification classes once the new instructor completes the basic certification course he or she will have a complete set of outlines that can be used for teaching their classes the first four outlines in this manual the role of the firearms instructor safety responsibilities record keeping and discipline are generally used during instructor development classes the rest of the outlines while also used in instructor development classes are also appropriate for basic recruit classes as well as classes that are designed for in service personnel the appendix contains material that can be used as class handouts or made into overheads for class presentations some of the courses can be used for general firearms qualification while others are used for training a specific skill such as linear and lateral movement or multiple attackers the manual has been written to take the pain out of the office work part of being a firearms instructor and to give the instructor more time to teach

this book so condenses and systematizes general military instruction and the work done at plattsburg so that it may be easily utilized in training other troops no broad claim for originality is made except in the arrangement of all available material the bibliography makes acknowledgment to all texts so utilized besides bringing helpful reminders to new officers regarding the elements of modern warfare much of the material will be found of radical importance as it is practically new

and never before condensed introduction

acquiring the ability to accurately shoot a pistol is no simple matter one should not assume that the art of advanced pistol marksmanship is fully realized immediately upon reading a training manual on the fundamentals and techniques of pistol shooting nor completely understood after having received a few hours of advice and instruction from a qualified coach or expert shooter to become a top pistol shooter and able to produce consistently high scores one must learn to perform all the fundamentals of shooting acquire certain definite habits achieve flawless coordination and above all have a capacity for the intense concentration essential to exercising a high degree of mental control for this one must train it is difficult if not impossible to establish a universal system of training in pistol marksmanship which will cover all cases one that can be adapted to each shooter s technique or special need training pistol shooters requires an individual approach there is no single pattern or system for the organization of training that will entirely meet the individual requirements of all competitors nor can one ever be expected this is the reason knowledgeable coaches take the peculiarities of an individual such as experience degree of preparation and fitness and other items into account they use these and by relying on their own experience devise a training program which allows special consideration for each shooter s capabilities in spite of the difference in details technique or method there is much that is common to the training of advanced marksmen that in the opinion of leading coaches and shooters applies to everyone without exception this manual endeavors to present in a detailed comprehensive manner these universal applications advanced pistol marksmanship training must of necessity avoid the involved and exceedingly complex because it is an activity whose participants form a great cross section of our nation
