big data and microtargeting steal the headlines about campaigning but how important are they really to the way that political parties campaign this book provides a fine grained account of the campaign practices of three Australian political parties it explores how prevalent data driven campaigning is introduces an original theoretical framework to understand these practices and demonstrates that there is a disconnect between what Australian voters think about these issues and the way that parties campaign in the 21st century drawing on 161 interviews participant observation and original survey data it shows that the reality of contemporary campaigning is often different to what we are led to believe

the Routledge Handbook of Political Parties provides a systematic and comprehensive overview of the study of political parties provided by leading experts in the field in an era of widespread political disillusionment political parties are often the main targets of citizen dissatisfaction yet they are the key institutions that make democracy work analysing political parties in unrivalled depth and breadth with comparative thematic chapters throughout as well as a dedicated section on political parties and party politics in specific country and regional settings this handbook examines and illuminates the key questions around how parties organise how their ideologies have evolved over time their relationship with society how they differentiate themselves and how they respond to new social economic and political developments the Routledge Handbook of Political Parties is essential reading and an authoritative reference for scholars students researchers and practitioners involved in and actively concerned about research in the study of political parties party systems and party politics

this book examines how Australian far right parties organise and operate to better understand their limited electoral success Australian far right parties have yet to see results comparable to far right parties in other contexts unlike many of their European

counterparts that have made significant electoral gains up to and including participation in national governments the Australian far right parties of the fourth wave have experienced relatively poor electoral results but this does not necessarily mean that Australia is uniquely hostile to far right politics focusing particularly on the 2019 Australian federal election this book takes an organisational approach to better understand why Australian far right parties struggle electorally through the novel lens of disorganised parties the author argues that the failure to develop a functioning party organisation has resulted in Australian far right parties being unable to effectively navigate their political environment by focusing on disorganisation this book provides a new perspective for understanding the limited electoral impact of the far right in Australia today despite favourable conditions like normalised Islamophobia and growing dissatisfaction with mainstream parties this book will be of interest to scholars and students of party politics the far right populism and Australian politics

this book examines the changing dynamics of political parties in Nigeria's fourth republic it is a comprehensive study of these parties development character and systems in relation to everything from ideology funding and crises to leadership civil society traditional and social media and electoral politics the author shows that while the organisation and institutionalisation of Nigerian political parties remain fragile they have taken on a new form in the fourth republic the book provides researchers policymakers and students with insights into the development of Nigeria's politics in light of its colonial legacy and its struggle against the institutionalisation of strong political institutions for democratisation
