a few words from beth moore about ten years ago god began leading me to take a far more active role in missions primarily through daily intercession i recall wondering how does a person approach praying for the entire world god graciously placed tools in my hands along the way but i can assure you i've never seen one quite like prayers for the faithful mary ann bridgwater has done her homework this guide is packed full of scripture all we need to do is add some faith open our mouths and pray them the testimonies she has included will cause our fellow servants on the field to become more than names to you their stories and requests will steal your heart and hopefully some of your prayer time

throughout history christians have prayed for the dead both for continual growth of the faithful and for their advancement from purgatory though not for the deliverance of the unsaved from hell this book defends all three kinds of prayer it challenges protestants who seldom pray for the dead to begin doing so and roman catholics and eastern orthodox who pray only for the christian dead to include the unsaved as well james gould addresses the biblical credentials of prayer for the dead and provides a historical overview of such prayers from ancient christianity to the current practice of the three main branches of the church he also discusses the logical assumptions prayer for the dead requires that prayer is effective that the dead are conscious and that the afterlife involves change and lays out a theological framework for such prayers prayer for the departed raises the most basic of theological questions matters that go to the center of god s purpose in creating spiritual beings and redeeming sinful humankind the argument while revisionary in some respects is orthodox ecumenical and integrative engaging a range of academic disciplines so as to be biblically accurate historically informed and philosophically reasoned
