this useful and practical book provides the college student seminarian church study group and interested lay person with a much needed introductory guide on the how method and the what message of jesus teachings in this revised edition robert stein updates his classic work adds a new bibliography and introduces use of the new revised standard version of the bible bringing this important text to a new generation of students

jesus christ and the civilization of to day by joseph alexander leighton ph d 1917

the growing movement of post evangelicalism highlights an opportunity to elevate and center the moral teachings of jesus so many of those who identify as christian intuitively know that their old version of faith is no longer working and they feel a theological vacuum david p gushee has been a leader in recent years for those ready to move on to a more examined and robust faith now in the moral teachings of jesus gushee examines forty teachings of jesus drawn from all four new testament gospels to clarify exactly what jesus said about the moral life

first published in 1968 and out of print since the 1980s victor paul furnishes treatment of paul's theology and ethics has long been regarded as the key scholarly statement and most useful textbook on paul's thought now theology and ethics in paul is available once again as part of the westminster john knox press new testament library featuring a new introduction from richard hays this timeless volume is as relevant in this century as it was in the last the new testament library offers authoritative commentary on every book and major aspect of the new testament as well as classic volumes of scholarship the commentaries in this series provide fresh translations based on the best available ancient manuscripts offer critical portrayals of the historical world in which the books were created pay careful attention to their literary design and present a theologically perceptive exposition of the text

excerpt from the ethical teaching of jesus this book originated from a course of lectures which were prepared for the students of the union theological seminary in the fulfilment of my duty as professor of biblical theology the field of biblical theology may be divided into three divisions biblical religion biblical faith and biblical ethics see general introduction to the study of holy scripture pp 604 sq after the completion of the courses on biblical religion and biblical faith i undertook an inductive study of biblical ethics this i found to be a comparatively unexplored field for most scholars have devoted their attention to the central

theme the biblical faith many to the religion of the old testament but few to the ethics either of the old testament or the new testament and these few have for the most part considered the subject on the basis of selected passages for homiletical or practical purposes from the point of view of the ethical philosophy which they held my attention was first given to the ethics of the old testament after which i made a complete inductive study of the ethics of jesus this study was revised several times as the lectures were repeated to different classes about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

in this work the author seeks to consider paul and his teachings through an analysis of his social experience and by studying his different letters to build a concrete picture of the human situations with which he had to deal rather than depicting him as a theologian she sees him as the missionary concerned with real problems of human need thus she creates an image of paul as a very human practical man and not so much the intellectual theologian that he is so often considered originally published in 1934 a unc press enduring edition unc press enduring editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print these editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there

may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy
