in light of globalization ongoing issues of race gender and class and the rapidly changing roles of institutions this volume asserts that christian social ethics must be reframed completely three questions are at the heart of this vital inquiry how

can moral community flourish in a global context what kinds of leadership do we need to nurture global moral community how shall we construe social institutions and social movements for change in the twenty first century

in this book the most prolific contemporary african american scholar and cultural theorist molefi kete asante leads the reader on an informative journey through the mind of maulana karenga one of the key cultural thinkers of our time not only is karenga the creator of kwanzaa an extensive and widespread celebratory holiday based on his philosophy of kawaida he is an activist scholar committed to a dignity affirming life for all human beings asante examines the sources of karenga s intellectual preoccupations and demonstrates that karenga s concerns with the liberation narratives and mythic realities of african people are rooted in the best interests of a collective humanity the book shows karenga to be an intellectual giant willing to practice his theories in order to manifest his intense emotional attachment to culture truth and justice asante s enlightening presentation and riveting critique of karenga s works reveal a compelling account of a thinker whose contributions extend far beyond the academy although karenga began his career as a student activist a civil rights leader a pan africanist and a culturalist he ultimately succeeds in turning his fierce commitment to truth toward dissecting political social and ethical issues asante carefully analyzes karenga s important works on black studies but also his earlier works on culture and his later works on ethics such as the husia and odu ifa the ethical teachings

this book covers legal compliance with federal and state contracts antitrust and disclosure laws protective advice for franchisor s counsel the landlord in franchising and the rico statute

the book is divided in 3 sections each containing several chapters section 1 includes chapters that identify and discuss several ethical issues along the food chain with particular detail of issues in the food industry and in consumer behavior section 2 includes chapters that present the basis of a code of conduct in the food profession as well as the description of

existing codes of conduct of food industry and food scientist professionals including ethics of publishing and also ethics in risk communication section 3 includes chapters based on case studies with examples of teaching approaches currently used in teaching food ethics easy to implement and already tested and confirmed as successful examples that engage students in this topic although professional ethics in food supply chain is claimed as an essential topic to be addressed in any degree program few higher education institutions that currently include a module on ethics in their study programs in general it is argued that ethics is a topic addressed along the curriculum and embedded in the contents of the modules however ethics for its importance needs a different teaching and educational approach and this book achieves that
