contemporary translation studies have explored translation not as a means of recovering a source text but as a process of interpretation and production of literary meaning and value translation and the classic uses this idea to discuss the relationship between translation and the classic text it proposes a framework in which the classic figures less as an autonomous entity than as the result of the interplay

between source text and translation practice and examines the consequences of this hypothesis for questioning established definitions of the classic how does translation mediate the social political and national uses of the classics in the contemporary global context of changing canons and traditions the volume contains a total of eighteen original essays plus an introduction written by scholars working in classics and classical reception translation studies literary theory comparative literature theatre and performance studies history and philosophy and makes a potent contribution to pressing debates in all of these areas

this guide highlights the place of translation in our culture encouraging awareness of the process of translating and the choices involved making the translator more visible concentrating on major writers and works it covers translations out of many languages from greek to hungarian korean to turkish for some works e g virgil s aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions elsewhere with less familiar literatures the guide examines the extent to which translation has done justice to the range of work available

launched in 1950 penguin s russian classics quickly progressed to include translations of many great works of russian literature and the series came to be regarded by readers both academic and general as the de facto provider of classic russian literature in english translation the legacy of which reputation resonates right up to the present day through an analysis of the individuals involved their agendas and their socio cultural context this book based on extensive original research examines how penguin s decisions and practices when translating and publishing the series played a significant role in deciding how russian literature would be produced and marketed in english translation as such the book represents a major contribution to translation studies to the study of russian literature to book history and to the history of publishing
